

We need your help!

Project Overview

Leigh Building Preservation Trust at Leigh Spinners Mill is a charity with the aim of sustaining the heritage of the mill, whilst giving space and opportunity to business, CIC's and other organisations. We at the Spinners have an ethos of social responsibility, with the recruitment of tenants that share that vision. This includes sports provision with mental health support, a cafe and community supermarket providing links into the community, a soon to be built community cinema, theatre and arts provision. Skills, training and digital provision, with the backing of commercial business that supports ongoing activities.

Area Based: Leigh

What support is needed:

Equipment/resources: Indoors: painting, cleaning. outdoors: general maintenance. Also, once open, to help tenants with their indoor units, e.g. volunteers required for the building of Leigh's community cinema. Please email for more details on individual tenants needing help. Also support needed for those wanting to volunteer with our heritage and public visitor centre at the mill, including heritage tours, cataloguing and events organising.

**Leigh Building Preservation Trust
at Leigh Spinners Mill**

What difference it would make to our project?

Volunteering at Leigh Spinners will make a huge difference to the organisations operating within the mill. Due to the sheer size of the building, there will always be plenty of work to do in restoring our important heritage. Helping to volunteer here will ensure that both business and heritage will thrive.
