

We need your help!

Project Overview

Linden Court Sheltered Accommodation

Group of people over 60 years of age from the sheltered and surrounding area - meet up regularly for social gatherings, at least 3 times per week to prevent the isolation of the residents. This group has only been going 6 months and the numbers are slowly increasing.

What support is needed:

Equipment/resources:

We would like to have an area outside in the back garden paved and have some composite table and composite benches installed if possible.

Linden Court Sheltered Accommodation

What difference it would make to our project?

The residents would be able to benefit, by getting the opportunity to sit outside rather than being indoors all the time when they meet up, They would be getting fresh air in an outside environment and this I'm sure would benefit the residents' mental health.
