

We need your help!

Project Overview

We are based in Hindsford and we are a sheltered housing complex who are just starting out. We want to bring a bit of colour to our area by planting flowers and tidying the area up.

What support is needed:

We are looking for a 10ft x 8ft shipping container for our garden tools as there is nowhere to store anything.

Westfield & St Annes Community Club

What difference it would make to our project?

It would mean that we can purchase tables & chairs so we can all sit together in our communal garden area.

To Find out more about the group:

We have no website or facebook at the moment as we only started up in Feb 2024.

If you can help this group
