

We need your help!

Project Overview

Wigan and Leigh Carers Centre are a non profit Charity that supports unpaid carers from the age of 5+

What support is needed:

We wonder if anyone across Wigan and Leigh has a spare stand alone leaflet rack?
We have been accumulating a wide range of information leaflets and would like to make them as accessible as possible to visitors to our Centre. We would much prefer to re-cycle than purchase from new if possible.

What difference it would make to our project?

Would allow visiting carers and families to pick up leaflets of partner and local organisations.
