

We need your help!

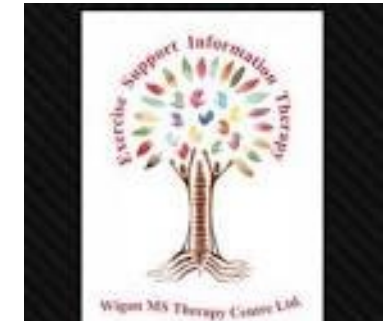

Project Overview

We are a charity based in the Marsh Green area of Wigan which provides a huge service for MS sufferers in our borough. Our centre helps with advice, therapies, information and lots more. We also run a charity shop on site which is constantly used by the local community.

What support is needed:

We are looking for a portacabin to extend our shop premises, to be erected on the site in March Green next to the Community Centre.

Wigan MS Therapy Centre

What difference it would make to our project?

It would help us to raise more funds for our charity. We are running out of space for storage and display of our goods. This would help the people with MS in Wigan and also help families in the area who shop with us regularly.
