

We need your help!

Project Overview

Wigan Rotary Club was formed in 1924. The Club's priority continues to be to provide support for local community and voluntary groups. As part of Rotary International it provides assistance to organisations involved in humanitarian work overseas.

What support is needed:

Help with taking Santa around areas of Wigan during December

What difference it would make to our project?

It would mean we could cover more areas and hopefully increase the amount of donations which would result in us being able to provide more support for the community.
