

# We need your help!

## Project Overview

The Wigan Warriors Community Foundation is Wigan Warriors official charity and uses the power of Sport and Rugby League to make a difference to people's lives.

We deliver a wide range of programmes from Rugby League coaching sessions, right through to programmes that improve health, wellbeing and improve the career prospects of young people and adults. We are proud to support Health, Education, Social Inclusion, Well Being and Equality of Opportunity at the heart of our objectives.

We want to create an outdoor space for our community to enjoy, a safe space where different generations can socialise and work together and enjoy being together. We have inherited the 'Waste Not Garden' (awarded a gold medal in the Southport flower show) which will be incorporated in the sensory zone of our garden

**Area Based:** Wigan Borough & surrounding areas

## What support is needed:

Landscape gardeners and General volunteers

### Equipment/resources:

A greenhouse or poly tunnel, raised/ adjustable height beds to accommodate differing needs, accessible pathways suitable for wheelchair users.

## Wigan Warriors

## What difference it would make to our project?

This is an ambitious project that we are looking to complete in stages but any support we can get to create a beautiful outdoor space for all ages in our community will help us achieve that vision sooner
