

Service: Restorative Solutions Team

Module Description:

Keeping young people safe in the home and the community

Aimed at young people at risk of or engaging in anti-social behaviour to prevent future offending behaviour

Length of module: 5 Sessions (2 hours each session)

Times available: Day-time (AM or PM)

Delivered by: Restorative Solutions Team

Benefits of this initiative:

To give young people information around:

- Understanding what anti-social behaviour is
- Consequences of being involved in anti-social behaviour
- Identify risks around hazards in the home and the community
- Understanding the appropriate use of emergency services
- Keeping themselves safe and healthy
