

Targeted Services - Voice and Engagement

Module Description: Bullying Awareness

This workshop gives participants an awareness of Bullying and links the subject of hate crime, it explores key facets of bullying within the protected characteristics and what participants can do to challenge.

The length of module is 1 hour

Resources needed: Flipchart, Paper, Pens will be provided by the team. There will be a PowerPoint presentation so the school would need to provide a screen.

It will be delivered by Youth Workers and Young People from the Voice and Engagement Team.

Benefits of this initiative:

Participants are able to discuss Bullying, the effects and how to challenge it. This module looks at hate crime and bullying and the different ways bullying can occur allowing discourse on opinions and views.

Hate crime input is shared from GMP
