

## Targeted Services - Voice and Engagement

### Module Description: LGBTQ Awareness

This workshop gives participants an awareness of LGBTQ (Lesbian, Gay, Bisexual, Trans and Queer) terminology, identity and allows open discussion.

Length of module: 1 hour

Resources needed: Flipchart, Paper, Pens will be provided by the team. There will be a PowerPoint presentation so the school would need to provide a screen.

Youth Workers and Young People from the Voice and Engagement Team will facilitate the workshop with support

### Benefits of this initiative:

Participants are able to discuss terminology in a safe space allowing discourse on opinions and views.

Participants explore their own identity and that of others

Hate crime information is shared to inform attendees

### Booking Information:
