

Service: Waste & Recycling

Module Description: Advice and Support

The Environmental Education Officer is available to offer one-to-one support on all aspects of waste and recycling in school Including:

- Support with setting up recycling facilities in school
- Waste prevention advice: Reduce and reuse
- Information on how to set up a recycling collection with Wigan Council
- Waste audit (to identify where waste is being created and potential for recycling and waste minimisation)
- Advice on waste and recycling solutions (e.g. electricals, textiles, furniture, end of term clear out etc.)
- Free of charge.

Benefits of this initiative:

- Full review of current waste and recycling facilities in school.
- Opportunity to identify cost savings by reducing waste disposal costs.
- Opportunity to link to wider initiative, both locally and nationally.
- Supports Eco-Schools programme.
