

## “Eyes and Ears” Safeguarding Awareness Training

The Eyes and Ears training is a BASIC awareness of safeguarding children and adults in Wigan. It is for any staff member or volunteer who works for a community/voluntary organisation and helps you to understand your safeguarding responsibilities.

The training gives individuals an understanding of what safeguarding is and how everyone can help to safeguard others. It is designed to give people the knowledge and confidence to be the ‘Eyes and Ears’ in the local community.

**\*Please be aware that during this training there will be discussions regarding abuse and the different categories and examples given which may be triggering. If you have any concerns about attending, please discuss this with your safeguarding lead/ volunteer coordinator.**

If you would like to attend this FREE training, please contact WSAB.
