

Ambassador 2024-2025

Hello, I am Lucie!

MEET YOUR AMBASSADRESS FROM ANGERS

I am very honoured to be the Ambassador from Angers. I am very excited to take part in the twinning's projects. For the next year, I hope to strengthen the relationship between Wigan and its twin town Angers in France, by developing relationships with schools and community groups. I am also looking forward to working on a range of cultural projects over the next year such as setting up an artistic residency exchange by getting Wigan and Angers residents involved into those projects. This year, I plan on hosting the French Week and celebrate French culture all around the borough in March 2025.
