What is your polling station?	polling district	Did you find the polling station accessible?	Do you think the polling station is suitable for voting purposes?	If you selected no, please let us know why it isn't suitable	Please tell us if you know of a more suitable building that could be used instead of your current building/polling station
Holy Family school Aspull	WCH	No	No	I dont understand why you close a school and refuse children education, your the first to complain when parents take their children out of school. I would get it if there was not an alternative, but there is the church centre right across the road from the school that could be used and that would not disrupt children's education!!!	The church community centre right across the road.
Holy family school	WCH	Yes	No	It is a school it should not be shut for a full day	Village hall
Aspul Holy Family School	WCH	Yes	Yes		There is another local venue - Parish's centre on Cale Lane - both suitable but school wouldn't have to shut

Holy family primary school new springs	WCH	Yes	No	It is not suitable as it is a school. I think it is a bit of a double standard that we can get fined for taking children out of school for other perfectly valid reasons but then are forced to take them out of school every time there is a vote. Some of us then lose a days wages as a result or else incur other childcare costs. I wouldn't mind so much but there are plenty of other local buildings that are just as accessible.	The parish hall on cale lane
Holy Family school new springs	WCH	Yes	No	The school is closed every year for polling day causing parents problems with childcare. There is also a polling station over the road at holy family parish hall - there is no need to also use the school. Not acceptable to close the school but not allow parents to take children out for holiday.	Holy Family Parish Hall which is already used - no need for two so close together.
Grace foundation Church	WCJ,WEH	Yes	Yes	Too many schools closed for polling day...especially given fines if parent take children out if school. I work in a school, which doesnt close, so does not affect me but i find it hypocritical to close for polling	Church halls, public houses, cafes, gyms pop up shops. Woodfield school whitley is next to a pub and across from a church....
