

What is your polling station?	polling district	Did you find the polling station accessible?	Do you think the polling station is suitable for voting purposes?	If you selected no, please let us know why it isn't suitable	Please tell us if you know of a more suitable building that could be used instead of your current building/polling station
Nicol mere school	MDC	Yes	No	Because it's a school. We should not be using and closing schools for voting. Use churches, community centres, mobile units anything but schools. Schools can close for polling, inset days and get 14 weeks a year off too. Parents cant take there kids out of school for days!. Plus its hard enough for working parents to cover the school holidays never mind extra days. Come on have some sense, use other locations and stop putting more pressure on parents and reducing childrens education.	The community centre on thr main road, the Masonic hall again on the main road, the numerous churches in the area.
Nicol mere school	MDC	Yes	No	It is ridiculous that schools are closed to be used for polling stations, and if they do have to be used then we should be voting at the weekend like some other countries do	Library, gp surgery, supermarket, offices, leisure centres
Nicol mere school	MDC	Yes	No	As this is my sons school I have to find alternative child care as I work and so does his dad	Boys brigade bryn

Nicol Mere Primary School	MDC	Yes	No	Schools should not be used as spelling stations, there are plenty of other accessible buildings without the need to shut whole schools!	Diamond Club. St Peter's hall. Garswood bowling green.
RL Hughes School	MDD	Yes	No	It is a school that is closed every time there is a vote. Which causes knock-on effects for parents of the school, there must be other buildings that would be suitable in the vicinity that could be used to prevent the constant closure of the school. Last year it was twice in a month not only does it cause extra stress trying to sort childcare arrangements its days that the children are losing their education. Local authorities are quick to fine parents for taking their kids out of school but don't seem to think twice about closing the school twice in a term.	Ashton library, Ashton Leisure Centre sports hall, Diamond Club
Our Lady Immaculate Primary School Bryn.	MDF	Yes	No	Don't use school! It is a massive inconvenience for parents of children at the school. I'm a teacher and it's near impossible to find childcare whilst I am at work.	Church hall
Our Lady's Immaculate Primary School	MDF	Yes	No	This closes the whole school for a day meaning I have to find childcare or lose a day's pay at work. Why can't this be done in Our Lady's parish hall right next to the school/church and is always free? No disruption to the school day then.	Our Lady's parish hall right next to the school/church on Downall Green Road
