

What is your polling station?	polling district	Did you find the polling station accessible?	Do you think the polling station is suitable for voting purposes?	If you selected no, please let us know why it isn't suitable	Please tell us if you know of a more suitable building that could be used instead of your current building/polling station
Westfield community school	WGA	No	Yes	There is a polling station at the top of my street and I have to walk past it and carry on for 15 mins to get to my designated polling station.Can this not be changed?	Bramble house Bramble grove worsley Hall.
Waterside	WGB	Yes	Yes		Im currently happy with my polling station choice however ny daughters school is used for polling station and this is a bug bare for me aspecially when i have to find extra child care to cover these days when voting is on,and the neighbouring school is never used. There is a community centre near by in the shopping precinct of worsley mesnes which this could be opened up and used to benefit everybody.
St Mark's Newtown	WGC	Yes	Yes		No-it is safe and clean and I know the school staff used it for a training day. Schools are not baby sitting service and have always been used for polling
St Marks Primary School, Newtown	WGC	Yes	No	It is a school. A lot of the time the school must close for the day when polling takes place which is unacceptable, especially when St Marks Church is just around the corner and can be used as an alternative.	St Marks CofE Church.
Bramble house	WGD	Yes	Yes		

Bramble House Worsley Hall	WGD	Yes	Yes		I am happy with my polling station. Its a community hub and as such more preferable than a school, which closure causes inconvenience for parents.
Mount Sion church	WGE	Yes	Yes
