Ince Independent Methodist Church	WHB	Yes	Yes		
St Patrick's Catholic Primary School	WHD	Yes	No	It's not a suitable venue as the whole school has to close for the day it's hard to find and afford childcare it's doesn't make sense to close a school at the side of a community center	Sunshine house community center
St Patrick's primary school	WHD	No	No	Stop closing my childrens school for voting! Their are plenty other places.	Sunshine house
St Patrick's Catholic Primary School, WN13RZ	WHD	Yes	Yes		

St Patricks Infant & Junior School	WHD	No	No	<p>Its a School and Children should be in School especially when the community centre is next door and would attract more voters. The voting room at the school is at the back of the school with very limited parking. Its also not as accessible for disabled or those on their own a its quite lonely.</p> <p>I would suggest Sunshine House would be an ideal location as its next door and would be much better for staff manning the station.</p> <p>Mums who would vote wont go and vote when the school is closed but I believe they would vote on their way to and from school.</p>	Sunshine House Accessible from Wellington Street and from Vauxhall Road
St Patrick's school	WHD	Yes	No	Because the school is always shut	Sunshine House community centre
St Catherine's	WHE	Yes	No	It is a school and children are missing education when there are places the polling stations can be held	Sunshine house community centre
Rose bridge high school	WHF	Yes	Yes		However my child attends St Patrick's and the whole school closes which I find extremely frustrating as I have to then pay for holiday provision at £20 a day! There is a church directly facing which would not interfere in the school day. My daughters education shouldn't be affected-I stick to school rules and never take my child out of school in term time so I don't think it's fair it gets closed for voting.
