Abram	UNKNOWN	Yes	Yes		
Portacabin	UNKNOWN	Yes	Yes		
School	UNKNOWN	Yes	No	Disrupts children's education and parents ability to be in work.	Community center, private buildings like room 4 where children are not affected and working parents not disrupted.
School	UNKNOWN	Yes	No	The whole school has to close. Why when there is other suitable locations close to the school.	Community centre, Church vestibule.
Hindley	UNKNOWN	Yes	Yes	Parking is a tad limited.	
A school hall	UNKNOWN	Yes	No	Voting is at an all time low. A school is closed for a full day, children missing out on a days education and parents have to find alternative provisions for their children. Not acceptable at all for the small number of people who go thro the door.	Church

Post	UNKNOWN	Yes	Yes	Stop putting them in schools,i have to use holidays from work which jeopardises time off i actually have to take when my child is off school,we have so many places in shevington it can be held,you do not need to close millbrook primary school!	There are 2 churches in shevington village,there is a library!
Church hall	UNKNOWN	Yes	Yes		
Church hall	UNKNOWN	Yes	Yes		Please do not use schools as polling stations
School	UNKNOWN	Yes	No	It's not right to close a primary school for polling putting pressure on working parents	Any community centre, sports hall, council building, Leigh sports village etc
A Primary School	UNKNOWN	Yes	No	Schools should not be used for polling stations as it disrupts children's education.	Local library
Primary school	UNKNOWN	Yes	No	Disrupts schools, children's education, financial burden on parents to take time off work to look after kids.	All Post Offices. Staff are already CRB/equivalent checked. More widespread than schools.
Scholl	UNKNOWN	No	No	Education is paramount F	A. B
lowton east	UNKNOWN	Yes	No	school closures	lowton community centre, local pubs - already use Red Lion in Lowton for one area...then shut 3 schools for the others

School	UNKNOWN	Yes	No	School are there to educate children not to have random days off for voting when we have other facilities that can be used. Children already lose out on bank holidays inset days voting is not a parents choice to close the school but they have to sort other childcare means out with is at cost to them... I am a parent to 4 children and it can be an expensive day off school... we as parent cant have a choice to take our children on educational trips in school time with out permission that is never granted but the council can dictate when schools are shut without asking parents...	Any library community centrea churches or even church halls
Primary school	UNKNOWN	Yes	No	Primary schools should be used to educate young minds. Closing for voting restricts this and therefore other buildings should be used.	Community Centre, church.
Wn7 3dw	UNKNOWN	No	No	I am totally against schools being closed for polling. It's not acceptable for parents to take children out of school but they can be closed for voting and teacher training. Leaving parents having to pay for childcare. There are plenty of places that could be used as alternatives eg churches and porta cabins. Pubs quite often have function rooms some of which are free.	

Primary school	UNKNOWN	Yes	No	It's seems strange to close a school and kids miss out on education for the polling days. Parents have to take a days leave to look after the children or pay additional childcare costs. If a parent wants to take their child out of school for a day they get an unauthorized absence. Surely there are better places	Library
School	UNKNOWN	Yes	No	There are plenty of other building to use around the area. It's hard enough being a working parent and finding childcare in the holidays, nevermind when it's closed for polling.	The church hall next door to the school
Hindley	UNKNOWN	Yes	Yes		Why can't community hubs or charity buildings be used more than schools? There are lots of places that could hold polling stations and then schools don't have yet another day off! A lot of buildings are central to stations used and are accessible to the public.
Primary school	UNKNOWN	Yes	Yes		Our primary school which is used as a polling station is next door to the local community center who have been offering it's use for around 10 years it has disabled access it also has a cafe that could generate further funds to use within our community from people stopping for a drink or something to eat while there (2birds 1 stone) it would also enable our children not to loose a days education over something they have no understanding off
A primary school	UNKNOWN	Yes	No	No because there is a church hall close by with more parking and easier access. No because it is difficult to explain to children that they can't stay off school to go on holiday but they can so that adults can vote.	Holy family church hall, New Springs, Sunshine House Community Centre. Why can't people vote where ever is convenient for them?

Don't know	UNKNOWN	Yes	Yes	I am a postal voter.	Atherton Town hall.
