

What is your polling station?	polling district	Did you find the polling station accessible?	Do you think the polling station is suitable for voting purposes?	If you selected no, please let us know why it isn't suitable	Please tell us if you know of a more suitable building that could be used instead of your current building/polling station
Woodfield School	WEA	Yes	No	See below	Why not use the church hall at the end of Milton Grove, there should no need to close the school
Woodfield primary school	WEA	Yes	No	Because it causes great distress to parents who have to find childcare for the day and it's very contradictory, considering parents are not allowed to take children out of school for holidays as it disrupts their education..... There are also many available church halls/ pubs etc that i am sure would be glad of the business ( Bellingham/ cherry gardens/ whitley church/ trinity) etc.	Bellingham/ cherry gardens/ whitley church/ trinity
Woodfield school	WEA	Yes	No	It disrupts my child's education and causes unnecessary disruption to parents/carers. I am also sure there is a cost to the local economy from the above.	Trinity United Reformed Church on Milton Grove - there is no daytime nursery there anymore so might now be suitable Cherry Gardens Pub function room Using Whitley Methodist would save the council money by combining polling stations. Postal and proxy votes are available for those that cannot travel, so people should not be disadvantaged.
