Winstanley primary	MBA	Yes	No	As it's a school that has to close down for the day which is ridiculous surely something else can be done instead of a school closing for a day. We get penalised when we take children out of school but it's ok for the council to close it .

Winstanley community primary	MBA	Yes	No	<p>The school should not be closed for the elections as it is an additional day off school putting strain on family finances and childcare. Winstanley community primary school	MBA	Yes	No	<p>Hundreds of children have to miss a day of school for all elections. Utilising schools for elections is not a suitable reason to deprive children of an education. Over their school career, children in these schools will have several weeks less education than schools who do not need to close. Another solution needs to be found. Kicking children out of their own school is not acceptable.</p>	Community Centre on Highfield Grange Avenue / St Aidens school (which does not need to close for polling), advise people that postal voting is an option if they can't travel far.
