

What is your polling station?	polling district	Did you find the polling station accessible?	Do you think the polling station is suitable for voting purposes?	If you selected no, please let us know why it isn't suitable	Please tell us if you know of a more suitable building that could be used instead of your current building/polling station
St Jude's	MCA	Yes	No	It's always used at the same school. There are 4 other schools in the area why not alternate. It's hard to find Child care for working families	Community centre at Clifton street.
St Jude's	MCA	Yes	Yes	Although it is suitable I don't agree with the school closing and children being off.	
St Jude's Primary School	MCA	Yes	No	It's a school and you close down schools and make parents have to take time of work or pay for child care. You have a lot of suitable council buildings available you could use, or perhaps libraries or church halls or social clubs. It's an absolute joke that you repeatedly use schools.	St Jude's social club, the building at the side of St Paul's school, Clifton Street community centre, Worsley Mesnes Club.
Hawkley hall high school	MCC	Yes	Yes	Suitable because the school doesn't close  Stop closing schools for this	Clifton street

St Paul's Primary School, Goose Green	MCD	Yes	No	Using the school hall means that all children don't have access to an education for a full day. When there are numerous days in a school year this means a big chunk of learning being missed. When parents are being fined for taking children out of school, I don't know how closing schools for days is acceptable.	The church hall next door
St pauls school	MCD	No	No	Closing the school for voting days is a strain on working parents we have to find childcare or use leave. There are many other places that could be used instead. There is a church hall next door that could be used. School as we are told are very important yet schools can be closed for voting. The people that are effected the most cant even vote yet!	Highfield grange community centre
St Paul's primary school, goose green	MCD	Yes	Yes		
St Pauls cofe primary achool	MCD	Yes	No	I don't believe a school should be closed for the purposes of voting.	I believe the church hall or church could be utilised for this.
St Pauls School, Goose Green	MCD	Yes	No	My children also attend this school and I work full time. It's hard for me to find childcare on polling days, resulting in me having to take a day off work. We can't not take children out of school for holidays without being threatened with a fine, however schools will close for polling. A more suitable venue should be used.	St. Paul's church hall

St Paul's COFE goose green	MCD	Yes	No	Twice already this year my son has not been able to attend school due to the school being used for polling. Not only will the affect is learning but I also paid for after school care and lost the money and still had to find additional care for my son while I'm working. Surely there are alternative options.	Church hall next to school. St. Paul's church. Public houses.
St Paul's Primary school	MCD	Yes	Yes		The church hall on the same site is accessible, it is fenced off from the school children meeting safeguarding requirements and is a similar size to the school hall accommodating voter numbers in the same way.
