If any of the above information changes please notify the school immediately.

My relationship to the child is:.....

Name of Applicant (in capitals):.....

Signature:.....**Date:**.....

Oversubscription criteria for community nurseries 2016/17

Where a nursery receives more applications than places available the following oversubscription criteria will be applied:

1. Looked after children and previously looked after children
Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
2. Children with particular social, medical or language needs.
NB Appropriate objective evidence will need to be supplied in support of the above and referral would normally be via professional agencies. It is also envisaged that the total number of places allocated according to these criteria would form only a relatively small proportion of the total number of children attending the nursery.
3. Children who are in the rising 4 cohort who live nearest to the nursery school.

Tie-breaker

Distance will be measured in a straight line distance between the child's permanent residence and a central point in the nursery.

Notes

Priority is given to the Rising 4 cohort in order to maximise the opportunities for children to receive at least one year of nursery education before starting school. The majority of places will be allocated to this cohort of children. If places remain after the main intake for the Rising 4 cohort, further places will be allocated at two points in the academic year according to the children's birth dates as follows:

Dates of birth Eligible for admission

- 1 September – 31st December 1st January
- 1st January and 31st March Start of summer term
