Oversubscription Criteria

Where a school receives more applications than places available, the following oversubscription criteria will be applied once places have first been allocated to pupils who have a statement of special educational need which names the school:

1. Looked after children and previously looked after children

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children whose older brothers or sisters attend the school and will still be there at the time of admission
3. Children who live closest to the school.

Tie-breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to a central point at the school using a Geographical Information System (GIS) which is based on ordnance survey.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place.

The governors have adopted the same definitions for child's home address, brothers and sisters, waiting list, nursery applications, deferred entry, part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

Should there be more applications than places available then the following criteria in order of priority, decided by the Governors would be applied, once places have first been allocated to pupils with a statement of special needs which names the school:

1. 'Looked after children and previously looked after children

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.'

2. Children and/or parents who regularly attend St. John the Evangelist Church Abram (regular attendance is deemed to be once a month for the 6 months leading up to the time of application)
3. Children who will have older brothers or sisters attending Abram C.E. school at the time of admission.
4. Children who live in the parish of St John the Evangelist who may not be Church of England but who belong to the wider Christian community.
5. Children with special needs who would benefit from admission to our school. These applications must be supported by a letter from a registered health professional such as a doctor or social worker setting out the particular reasons why this school is the most suitable and the difficulties that would be caused if the child had to attend another school.
6. Proximity of home to school main entrance (measured in a straight line from the child's home address using the LA data computer programme) In the event of there being more than 35 applications in any of the criteria's 1-5, proximity to the school (6) would be used as the deciding factor.

Tie-breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the school main gate, using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Class Organisation

As our standard number is 35 and school has to comply with government's requirements to have no more than 30 children in a class in Key Stage 1, it might be necessary to group children of different ages in classes termed as 'vertically grouped'. Should this be the case when your child enters school every effort will be made to explain to parents what this means and how this affects them.

In order that such young children might settle down to school life as quickly as possible children will attend part-time for the first week of term and fulltime thereafter. Initial interviews and visits to school by prospective parents can be made by appointment.

The governors have adopted the same definitions for twins and multiple births, brothers and sisters, child's home address, deferred entry, nursery classes, part time attendance and waiting lists as for community and voluntary controlled schools. See pages 10 to 13 for further details.

This school uses a supplementary information form. See page 5 for important information about this.

Website www.aspullchurch.wigan.sch.uk

Oversubscription Criteria

Our admission number is 30. If we receive more applications than places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school:

1. Looked after children and previously looked after children (see note E)
2. Children with siblings who attend Aspull Church Primary School at the time of admission (see note A)
3. Children who, with their immediate family regularly attend St Elizabeth's Church, Aspull or Aspull Methodist Church (see note B)
4. Children who with their immediate family regularly attend other Christian churches (see note B & C)
5. Children with proven special educational, medical or social needs who would benefit from a place in this school (see note D)
6. Children living closest to the school

Tie-breaker

When we use the admission criteria, more children might fall into a particular category than the number of places left. If this happens we use the tie breaker to decide who is given a place.

Places will be given to the children who live nearest to the school. We measure this distance:

- From the child's home address in a straight line to the centre point of the school site as determined by the Local Authority
- Using the GIS system which is based on Ordnance Survey maps

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If the last place at the school is for one of twins (or triplets, and so on), other twin or triplet will be offered a place too. But it is not possible to do this if it would mean infant class sizes go over the legal limit. In this situation, we will offer the place that is available and you can decide which child will take up the place. At the same time your home local authority will tell you which other school could take all the children.

Notes:

- A. 'Siblings' includes step, half, foster and adopted who live at the same address as part of the same family unit
- B. 'Regular Church Attendance' is normally taken to mean a minimum of monthly attendance at Church for a period of 12 months by an immediate adult member (to include: parent, grandparent, primary carer) and the child prior to the closing date for applications. The Governors will request confirmation of this from the relevant member of clergy on our supplementary 'Church Reference' form
- C. The Governing Body defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of, 'Churches Together in England'
- D. Our supplementary 'Social & Medical Need' form together with a supporting letter from a doctor, social worker, member of clergy or other professional, with knowledge of the family and the needs of the child, must accompany the completed application form. The letter should explain why admission to the school is necessary for the child's well-being
- E. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order).

The governors have adopted the same definitions for twins and multiple births, brothers and sisters, child's home address, deferred entry, nursery classes, part time attendance and waiting lists as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

The Governing Body will admit all children having statements of special educational need in whose statement the school is named.

If more children apply to the school than the number of places available then each applicant will be considered using the following criteria.

1. Children in public care (Looked After Children). (See note a)
2. Children who will have a brother or sister attending the school at the time of admission (see note d)
3. Child participation in worship within the parish of Atherton and Hindsford. (Validated by Clergy) (see note b)
4. Child participation in worship at another Christian Church. (Validated by Clergy) (see notes b)
5. Child whose medical or social circumstances mean that their needs can only be met at this school (see note c)
6. A child resident in the St. George's district within the parish of Atherton and Hindsford
7. A child resident in the conventional district of St. John's, St. Philip's or St. Anne's districts of the parish of Atherton & Hindsford
8. Those who express a preference for a place at St. George's School.

Tie-breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to the main entrance of the school using the local authority Geographical Information System (GIS) which is based on ordnance survey.

Please contact the school if you would like more information about this.

Where there are children of multiple births wishing to be admitted and the sibling is the 45th child, the governors may admit over the infant class requirement if it is possible to do so.

You must give the correct permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally live.

If you are separated and your child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.

Notes:

- a) Looked after children and previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order.) Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
- b) Child participation in worship will be taken to mean a minimum of monthly attendance at church/public worship, for at least the year prior to 1st September in the year before admission to the school.
- c) Where admission is sought under exceptional, medical or social circumstances criteria, professional supporting evidence, eg. from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- d) 'Brother' or 'sister' includes step, half, foster and adopted brothers or sisters living at the same address and full brother or sister living apart.

The governors have adopted the same definitions for child's home address, deferred entry, nursery classes, part time attendance and waiting lists as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home to the main entrance to the junior block (double doors from the playground) using the Local Authority Geographical Information System (GIS), which is based on ordnance survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

The governors have adopted the same definitions for child's home address, nursery classes, waiting lists, deferred entry, part-time attendance and brothers and sisters as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

When school receives more applications than places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school.

1. Looked after children and previously looked after children. [See note 1]
2. Children and/or parents who regularly attend St. Matthew's Church, Highfield or St. Matthew's Sunday School. [See note 2]
3. Children who have a brother or sister attending the school, who will still be there at the time of admission. [See note 3]
4. Children and/or parents who regularly attend a Christian Church or Sunday School other than St. Matthew's Church, Highfield. [See note 2]
5. Children who have particular medical or social circumstances which, when proven, indicate that they should attend this, their nearest school. [See note 4]
6. Children living closest to school. [See note 5]

Tie-breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the front door of the school, using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), and where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact Wigan Council, School Places Team (01942 486036), if you would like more information about this.

Notes

1. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with an appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
2. Regularly for this purpose is defined as "attends a Church service or Sunday School at least once per month, for the previous six months".

3. Brother or sister includes step, half, foster and adopted brothers and sisters living at the same address and full brother or sister living apart.
4. If the application is for a child who has particular medical or social circumstances then the application for admission must be accompanied by a supporting letter from a doctor, social worker, member of the clergy or other professional with knowledge of the family and the needs of the child. The letter should explain why admission to the school is necessary for the child's well-being.
5. Wigan Council measures distance using a Geographical Information System (GIS) which is based on information from an Ordnance Survey. In the event of over-subscription in any one criterion, priority will be given to those children living nearest the school, measured in a straight-line.

Information

- a. Baptism is not one of the criteria.
- b. The length of time a child's name has been registered at the school is not one of the criteria.
- c. All admissions are subject to proof of the applicant's address.
- d. In the event of a child being refused a place, parent(s)/guardians have the right of appeal. In the first instance they should write to the Chair of Governors of Highfield St. Matthew's C.E. Primary School, setting out their grounds for appeal.

Waiting List

School will maintain a waiting list until the end of the Autumn Term 2013, for those children applying for school places in the 2013 intake. Children will be ranked in accordance with the admission criteria. The ranking will not be based on the date of application.

School should be advised of any change in circumstances which may affect your child's ranking on the waiting list. Proof will be required.

The governors have adopted the same definitions for child's home address, twins and multiple births, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

In the event that there are more applicants than places, the governing body will allocate places using the following criteria, which are listed in order of priority:

1. Children in Public Care (see note 1)
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school (see note 2)
3. Regular attendance by child and parents at Christ Church, Ince for up to 12 months until the closing date of applications (1 time per month on average).
4. Regular attendance by child and parents at another Church affiliated to 'Church's Together' in Britain for up to 12 months until the closing date of applications (1 time per month on average).
5. Children who have brothers/sisters already attending Ince C.E. Primary School (see note 3)
6. Resident in the Parish of Christ Church, Ince.
7. Children who express a preference for a place at the school.

Notes

1. This includes any 'looked after child' and any child who was previously looked after, but ceased to be so because they were adopted (or became subject to a residence or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
2. If the application is for a child who has special medical or social circumstances then the application for admission **MUST** be accompanied by a supporting letter from a doctor, social worker, member of the clergy or other professional with knowledge of the family and the needs of the child. The letter should explain why admission to the school is necessary for the child's well-being.
3. Siblings include :-
 - half-brothers and half sisters
 - step-brothers and step-sisters
 - foster brothers and foster sisters who live at the same address as part of the same family unit.
4. You must give the child's correct permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally live. If you are separated and your child spends time at each parent's address, the

address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.

5. Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to the main entrance of school where the school office is located using the Local Authority GIS system which is based on Ordnance Survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

6. Where there are twins, triplets wanting admissions and there is only a single place left within

the admission number, then the governing body will exercise as much flexibility as possible with the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for both twins and all triplets, even when this means breaching infant class size limit. This may also apply to siblings who are in the same year group.

The governors have adopted the same definitions for child's home address, deferred entry, nursery classes, part time attendance and waiting list as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

The Governors will admit all children having a statement of special needs in which school is named. In the event of oversubscription for the remaining places the following criteria will be applied in order:

- 1 Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
- 2 Children with brothers/sisters attending Leigh C.E. Infants' School or Leigh C.E. Junior School at the time of admission.
- 3 Children whose parent(s)/legal guardian(s) regularly attend Leigh Parish Church at least once a month for a minimum of six months up to the time of application. (The confirmation statement on the supplementary information form must be signed by the appropriate clergy or a confirmation letter attached).
- 4 Children whose parent(s)/legal guardian(s) regularly attend, at least once a month and for a minimum of six months up to the time of application, a Christian church which is a member of the Churches Together in Britain and Ireland or a local Churches Together group. (The confirmation statement on the supplementary information form must be signed by the appropriate clergy or a confirmation letter attached)
- 5 All other children.

Tie-breaker

If more children fall into a particular category than the number of places left, the Governors will allocate places to the children who live nearest to the school measured

in a straight line from the child's home address to the centre of the school using the Local Authority's measuring service based on ordnance survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Evidence

Applications falling within the criteria 3 and 4 will be required to submit with their application a letter from their minister to support the criterion.

Oversubscription Criteria

The Governors will admit all children having a statement of special educational needs in which the school is named. In the event of oversubscription for the remaining places they will be allocated by use of the following criteria in the order that follows.

When applications are received, the decision on which children will be admitted will be based on the following criteria:

1. Looked after children and previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
2. Children whose medical or social circumstances mean that their needs can only be met at this school.
3. Children who will have an older brother or sister attending the school at the time of their admission.
4. Up to 12 places will be allocated to any children based on geographical proximity to the school. The remaining places will be allocated as follows:
5. Baptised children whose parent(s)/guardian(s) are in regular attendance at any of the churches within the parish of the local Anglican Team Ministry
6. Baptised or dedicated children whose parent(s)/guardian(s) are in regular attendance at a church within the parish which is a member of Churches Together in Britain and Ireland, or a local Churches Together organisation.
7. Any other children.

Tie-breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the front gate at the infant site, using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Twins: Where there are children of multiple births wishing to be admitted and the sibling is the 30th child, the governors may admit over the infant class requirement if it is possible to do so.

Notes:

- a) Regular attendance is normally taken to mean a minimum of fortnightly attendance at church at public worship for at least the year prior to 1st September in the year before admission to the school. Evidence of infant baptism or dedication of the child and of regular attendance of parent(s)/guardian(s) must be provided by a member of the clergy or other designated church officer on the form provided.
- b) Where admission is sought under special medical or social circumstances criteria, professional supporting evidence, e.g. from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- e) **Waiting List:** Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admissions number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. The waiting list will operate until the end of the autumn term only.

The governors have adopted the same definitions for brothers and sisters, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children with Special Educational Needs who have been identified by the LA as requiring Targeted Individual Support at Level 2 (TIS2)*;
3. Children who have a brother or sister attending the school who will still be there at the time of admission;
4. Children who, with their immediate families, regularly** attend St. Mary's Church Lowton.
5. Children who, with their immediate families, regularly** attend Churches in communion with the Church of England.
6. Other children who have been baptised into the Church of England or other Churches in communion with the Church of England;
7. Children living closest to the School, as measured from the child's permanent home address in a straight line to the pedestrian gate entrance to the School on Newton Road using the Local Authority's GIS based on Ordnance Survey.

Tie-breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to the pedestrian gate entrance of the school using a Geographical Information System (GIS) which is based on Ordnance Survey.

Occasionally the distance from home to school is the same for more than one child. For example, if more than one child lives in the same block of flats. In these cases, a system to

randomly pick who will be offered a place will be used. The governing body will use the same system used by the local authority for community and controlled schools. A copy of the policy as available on request from the local authority.

Notes

*Any child with a statement of special educational needs which names Lowton St. Mary's C.E. Primary as the required school for admission will be admitted.

** 'Regularly' for this purpose is defined as 'has attended a church service at least once per month, for a minimum of six months in the calendar year prior to the application for admission being made.' Such applications would need to be supported in writing by the appropriate Minister of Religion.

Oversubscription Criteria

Applications for admission are dealt with by the Governors of the school using the following criteria:

1. Looked after children and previously looked after children. (See note 1)
2. Children of regular members of a Christian Church. (See notes 2, 3).
3. Children who attend Church or Sunday school on a regular basis. (See note 4).
4. Children who have brothers/sisters already attending the school who will be there at the time of admission including half-brother/half-sister, step brothers/step sisters and foster brothers/foster sisters who live at the same address as part of the same family unit.
5. Children with a proven special educational, medical or social need whom the Governors believe would benefit from a place in this, their nearest school. (Supporting evidence from a professional person e.g. doctor, social worker or clergy member will be needed).
6. Children whose home address is within the proximity of the school premises as measured by the L.A. GIS system will be given priority. (Proof of residence may be required e.g. Child Benefit Book). (Please see note 5).

Tie-breaker

If a tie breaker is required, proximity to the school premises as measured by the LA GIS system will be given priority. (See note 6)

Notes:

1. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or a special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order, or special guardianship order.
2. A regular worshipper of a Church is deemed by the Governing Body to be one who has attended a service in that Church, a minimum of once a month, for at least 1

- year prior to the closing date for applications. The vicar or minister of the Church which you attend must sign the supplementary form to confirm said attendance.
3. The 'Governing Body' defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of 'Churches Together in England'.
 4. Regular attendance at Sunday school is deemed by the Governing Body to be once a month, for the 12 months prior to the closing date for applications.
 5. The home address is deemed by the Governing body to be the child's permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally live. If you are separated and your child spends time at each parents address the Governing Body deems that the address which is used for admissions is that of the main carer. Therefore the address of the parent who receives Child Benefit will be used.

The governors have adopted the same definitions for waiting list, nursery classes, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Tie-breaker

Child's home address is taken as the address at which the child sleeps for the majority of the school week.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too. But it is not possible to do this if it would mean class sizes go above the legal limit. In this situation, we will offer the place that is available and

You can decide which child will take up the place. At the same time, we will tell you which other schools could take all the children.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place.

2. Children in public care (looked after children) and previously looked after children.
3. Children who have a brother or sister in school at the time of admission.

Tie-breaker

The distance will be measured in a straight line from the child's home address to the main entrance using the local authority Geographical Information System (GIS) which is based on ordnance survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins (or triplets and so on) we will offer the place that is available and you can decide which child will take up the place.

Notes

Occasionally this distance may be the same for more than one last child with the final place allocation. In this case, governors will use random allocation using the LA as the independent authority under their policy guidelines.
- g) If we offer the last place available at a school to one of twins (or triplets and so on), our policy is to admit the other twin or triplets too.
- h) Applications for previously looked after children must be supported with appropriate evidence i.e. copy of the adoption order, residence order or special guardianship order.

6. The Governing Body defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of 'Churches Together in England'.

Tie-breaker

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class sizes regulations, a system will be used to randomly pick who will be offered a place.

The governors have adopted the same definitions for child's home address, deferred entry, part time attendance and waiting lists as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

If more than 60 applications are received, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names St Philip's CE Primary School.

1. Looked After Children and Previously Looked After Children (a)
2. Brother or sister to pupils who will be in attendance at the school at the time of admission. See note (b)
3. Child participation in worship within the Parish of Atherton and Hindsford (validated by Clergy). See note (c)
4. Child participation in worship at another Christian church. See note (d)
5. Children whose medical or social circumstances mean that their needs can only be met at this school. See note (e)
6. Residence in St Philip's district of the Parish of Atherton and Hindsford. See note (f)
7. Residence in St John's, St George's or St Annes district of the Parish of Atherton and Hindsford. See note (f)
8. Those who express a preference for a place at the school.

Where there are more applications for the available places within a category then places will be awarded to those having the higher scores first. A tie breaker will come into effect if we receive a number of applications with identical scores giving priority to those living nearest to school. (See note G below).

Notes:

- a) Looked After Children and Previously Looked After Children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order of special guardianship order). Appropriate evidence must be produced for example: copy of adoption, residence or special guardianship order.

- b) Brother or sister includes step, half, foster and adopted brothers and sisters living at the same address and full brother or sister living apart.
- c) Points for attendance by the child at a church in the Parish of Atherton and Hindsford are awarded as follows (up to a maximum of 8 points):-

	Over 2 years			1-2 years			6 – 12 months		
	At least 40 weeks Per year	At least 20 weeks Per year	At least 10 weeks Per year	At least 40 weeks Per year	At least 20 weeks Per year	At least 10 weeks Per year	At least 40 weeks	At least 20 weeks	At least 10 weeks
<u>Child</u>	8	6	4	6	3	2	4	2	1

- d) Points for attendance by the child at another Christian church which is a member of Churches Together in Britain and Ireland, or a local Churches Together organisation are awarded as follows (up to a maximum of 4 points):-

	Over 2 years			6 months – 2 years		
	At least 40 weeks Per year	At least 20 weeks Per year	At least 10 weeks Per year	At least 40 weeks Per year	At least 20 weeks Per year	At least 10 weeks Per year
<u>Child</u>	4	3	2	3	2	1

- e) Where admission is sought under exceptional medical or social circumstances criteria, professional supporting evidence eg from a doctor, psychologist or social worker is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- f) The district boundaries shall be those recognised by the Atherton Church of England Clergy. Details can be accessed from the school office.

Tie-breaker

Living nearest to the school refers to the distance, measured by the LA, from the child's normal home to the school's front entrance, nearer addresses having priority over more distant ones. When considering your child's application, we will use the permanent home address we have for you at the closing date for applications.

If parents are separated and the child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.

In cases where there are two or more children with the same measurement (for example if more than one child lives in a block of flats), or where to admit another child would breach

the infant class size regulations, a fair draw will pick who will be offered a place. If we offer the last place available to one of twins (or triplets and so on) we will offer the place that is available and you can decide which child will take up the place.

It should be noted that Baptism is not a criteria for admission nor is the length of time that a child's name has been registered at the school.

The governors have adopted the same definitions for waiting list, deferred entry, part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

1. Looked after children and previously looked after children (evidence required **)
2. Attendance for worship at St. Stephen's Church by a parent/guardian (evidence required #)
3. Children with brothers and sisters in school at the date of the child's admission.*
4. Attendance for worship at another Christian church in St. Stephen's Parish by a parent/guardian (evidence required #)
5. Children or parents who have compelling medical or social needs and who live in St. Stephen's Parish. (evidence required from a professional person with knowledge of the child's/parent's needs e.g. doctor, social worker) This evidence needs to show why the child ought to attend St. Stephen's rather than another school.
6. Children who live in St. Stephen's Parish.
7. All other children

Tie-breaker

If a tie breaker is required those living nearest to school will be given priority. Distance will be measured in a straight line from the school's main entrance to the child's home address as measured by the Local Authority using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins (or triplets and so on) we will offer the place that is available and you can decide which child will take up the place.

Admissions Guidance

** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported

with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Anyone wanting to offer evidence of a parent/guardian involvement must obtain a signature from their parish clergy/minister/other church on the school's Supplementary Information Form available from the school.

*A sibling is defined as a brother or sister, or step-brother and step-sister, half-brother and half-sister, foster brother and foster sister living at the same address as part of the same family unit for whom application is being made. Sibling priority will not be given where the brother/sister or step-brother/step-sister half-brother/half-sister, foster brother/foster sister lives at a different address to the child for whom application is being made. No sibling priority is given to cousins, regardless of their address.

Maps of the parish boundaries may be accessed at the school office.

The governors have adopted the same definitions for waiting list, nursery classes, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

In the event that more applications are received than there are places available, priority will be given to:-

1. Looked after children and previously looked after children *
2. Children who attend St. Thomas's or St. Lukes Church or Sunday School at least twice month and who have done so for the last 2 years.
3. Children who attend a Christian Church** or Sunday School other than St. Thomas's or St. Lukes at least twice a month and who have done so for the last 2 years.
4. Children who have a brother or sister attending the school in the 2013 - 2014 school year.
5. Children who attend a Christian Church** at least once a month and have done so for the past year.
6. Other children living nearest the school. Distance will be measured as the crow flies from the centre point of the school.

Parents of children who attend churches other than St. Thomas's and St. Lukes will need to provide evidence of this.

* Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

** Christian Church is defined as a church that is a member of the Churches Together in Britain and Ireland.

Tie-breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The

distance will be measured in a straight line from the child's home address to the centre point of the school using the local authority Geographical Information System (GIS) which is based on ordnance survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Oversubscription Criteria

If the school receives more applications than places available, once places have been allocated to those children who have a statement of special educational need naming this school, the remaining places will be offered in the following order of priority:

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
2. Children whose medical or social circumstances mean that their needs can only be met at this school.
3. Children who will have an older brother or sister attending the St. Thomas C.E. Primary School at the time of their admission.
4. Baptised children whose parent(s)/guardian(s) are in regular attendance at any of the Anglican Churches within the Parish of St. Thomas with All Saints in Leigh.
5. Baptised or dedicated children whose parent(s)/guardian(s) are in regular attendance at a church within the parish which is a member of Churches Together in Britain and Ireland, or a local Churches Together organisation.
6. Children whose families are in regular attendance of another Church Of England church in the Leigh Deanery, and who live within the parish boundaries of Bedford St. Thomas.
7. All other children.

Tie-breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the main gate of the school (Astley Street), using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Notes

- a. Where admission is sought under special medical or social circumstances criteria, professional supporting evidence, e.g. from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- b. Brother' or 'sister' includes step, half, adopted and foster brothers or sisters living at the same address as part of the same family unit and full brother or sister living apart.
- c. Regular attendance is normally taken to mean a minimum of monthly attendance at church at public worship for at least the year prior to 1st September in the year before admission to the school (i.e. year before September 2012). Evidence of infant baptism or dedication of the child and of regular attendance of parent(s)/guardian(s) must be provided by a member of the clergy or Church Warden on the forms provided.

The governors have adopted the same definitions for waiting list, nursery classes, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

In the event that there are more applicants than places, after admitting all children with a statement of educational need naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

1. (a) Looked children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence ie. A copy of the adoption order, residence order or special guardianship order.

- (b) Children with special medical or social circumstances affecting the child where these needs can only be met at this school.

Professional supporting evidence from eg a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.

2. Children who have a sibling attending the school on the date of application and on the date of admission. Siblings include step, half, foster, adopted brothers and sisters living at the same address, as part of the same family unit.
3. Children whose parents live within the ecclesiastical parish of St. Anne's Church, Shevington. A map showing the boundaries is available in school.
4. Children with a parent / guardian worshipping in a church in membership of Churches Together in Britain and Ireland.

Churches Together in Britain and Ireland is taken on the 1st September in the year prior to admission to the school. A list may be obtained from its website.

Parental worshipping is normally taken to mean a minimum of monthly attendance at church at public worship for at least six months. The relevant date is 1st September 2012.

The Governors will request confirmation of this from the relevant clergy or church Officer. Where the family has changed churches, then information about all of them will be required.

5. Other children.

Tie-breaker

Where there are more applications for the available places within a category, then the distance between the GIS address point for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is a predetermined point generated from the local authority's GIS computer database, which is based on information from an Ordnance Survey to the Front Entrance of the school. Where the cut off point is for addresses within the same building, then the single measure between the address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted.

This waiting list will operate until the end of the autumn term only.

Address of pupil

The address used on the school's admission form must be the correct permanent homes address i.e. the family's main residence. This is where the child and parent or the person who has care of the child or parental responsibility normally lives. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the governors reserve the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

The governors have adopted the same definitions for nursery classes, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

Oversubscription Criteria

In the event that there are more applicants than places, after admitting all children with a statement of educational need naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

1. Children in Public Care

(a) This includes any "looked after child" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order

2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school See note (i)

3. Children whose parents live within the ecclesiastical parish of Standish, St. Wilfrid's. See note (ii)

(a) Children who have a sibling attending the school on the date of the application and on the date of admission. See note (iv)

(b) Children with a parent/guardian worshipping in a church in full membership of churches together in England

(c) Other children

4. Children whose parents live outside the parish

(a) Children who have a sibling attending the school on the date of the Application and on the date of admission. See note (iv)

(b) Children with a parent/guardian worshipping in a church in full membership of churches together in England

(c) Other children.

5. Proximity of home to school.

Tie-breaker

Where there are more applications for the available places within a category, then the distance between the GIS address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is a predetermined point generated from the Local Authority's GIS computer database, which is based on information from an Ordnance Survey to the front entrance of the school. NOTES:

- i) Professional supporting evidence from e.g. a doctor, psychologist, social worker is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- ii) A map showing the boundaries is available in school.
- iii) The distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used to determine which addresses are closest to the school.
- iv) Siblings include step, half, foster, adopted brothers and sisters living at the same address as part of the same family unit.
- v) Churches Together in England is taken as on the 1st September 2012. A list may be obtained from its website "Churches Together in England website at cte.org.uk". Churches in membership of the equivalent bodies to CTE in Northern Ireland, Scotland and Wales are equally accepted. Parental worshipping is normally taken to mean a minimum of monthly attendance at church at public worship for at least the year leading up to the 1st September, 2012.

The governors will request confirmation of this from the relevant members of the clergy or church officer. Where a family has changed churches, then information about all of them will be required.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of the application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose names are at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted.

The waiting list will operate until the end of the Autumn term 2013 for those applying for a place for the 2013 intake..

Address of pupil

The address used on the school's admission form must be the current one at the time of the application, i.e. the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. When the demand for places exceeds this number, after places have been allocated to children with a statement of special educational need which names this school, the Governors will allocate places on the following basis.

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children who already have brothers and sisters in the school at the time of admission. This includes half brothers/sisters, step brothers/sisters and foster brothers/sisters living at the same address as part of the same family unit.
3. The child plus a parent/guardian that attend any St Peters/St Paul's Church at least four times in any calendar year from January to December, previous to application.

5. Baptised members of the Church of England living outside the Parish.
6. Proximity to school premises measured in a straight line distance as measured by the LA from the child's home address to the rear entrance point.

Tie-breaker

Where there are more applicants in one category than there are places left to offer, the governing body will offer places to those pupils who live nearest to the school. 6. Those who express a preference for a place at the school.

Tie-breaker

In the event that there are more applications than there are places available in any one criterion, a tie-breaker will apply by measuring the distance from home to school.

Definitions

[item 3] Brother or Sister means full brothers or sisters, half brothers or sisters, stepbrothers or sisters who live at the same address as part of the same family unit.

[item 4] Christian Church means one in which members subscribe to the Doctrine of the Holy Trinity.

[item 5 & tie-breaker] Home (when there is shared parental responsibility for a child) means the address of the main carer. We class the main carer as the person who is eligible for child benefit. Distance means a straight-line measurement between the child's home address and the centre of the school's perimeter boundary. This is measured by using a geographical computer system (GIS), which is based on ordnance survey.

In cases where there are two or more children with the same distance measurement, where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

The governors have adopted the same definitions for waiting list, child's home address, nursery classes, deferred entry and part time attendance as for community and voluntary controlled schools. See pages 10 to 13 for further details.

This school uses a supplementary information form. See page 5 for important information about this

Primary schools in the Liverpool Catholic Archdiocese

The governors of the majority of Catholic primary schools in the Liverpool Archdiocese have adopted common definitions as follows:

Baptised Catholic

'Baptised Catholic' means, within the policies and practices relating to school admissions, any child who, before the due date of application, is a baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

For a child to be considered as a Catholic, evidence of a Catholic Baptism or reception into the Church will be required.

A Baptised Catholic is one who has been baptised into full communion with the Catholic Church by the Rites of baptism of one of the various ritual Churches in communion with the See of Rome (Cf. Catechism of the Catholic Church 1203). Written evidence of this baptism can be obtained by recourse to the baptismal Registers of the church in which the baptism took place.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal registers of the church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: full name, date of birth, date of baptism or reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of baptism or reception.

Those who would have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest, who after consulting with the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

Tie breaker

In the event of over-subscription in the number of applications made under any of the categories, the admissions committee will offer places first to children living nearest the school measured in a straight line from the child's home address to the front door of the school using the Local Authority measuring service based on Ordinance Survey.

In rare cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, random selection will be used to determine the allocation of places.

Child's home address

You must give the correct permanent home address. The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – eg. child benefit payment address.

Where care is split equally between mother and father, the address used for the allocation process will be the address of the parent who is in receipt of the Child benefit. Documentary evidence will be required.

Supplementary information forms

Parents must complete the Local Authority application form. Parents who wish their application to a Catholic school to be considered against the priority faith criteria should also complete the supplementary form. If the school is oversubscribed, failure to complete the supplementary form may result in your application for a place in this school being considered against lower priority criteria, as the Governing Body will have no information upon which to assess the application on the basis of the applicant's baptism and/or membership of a faith community. Both forms should be returned by the closing date of **15th January 2012** as explained in the LA Primary Admissions Booklet.

Nursery applications

If a child attends the Nursery attached to a Catholic primary school they **DO NOT** have automatic right of a place at that school. Parents **MUST** complete a Local Authority application and, if appropriate, the school supplementary form which should be returned by the closing date.

Late applications

Late applications (those received after the closing date) will only be considered after all the applications received on time have been dealt with.

Waiting list

A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria; parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the first term of Reception.

Deferred entry

Legally your child does not have to start school until the start of the term after their fifth birthday. If you apply for and are offered an earlier starting date which you wish to defer you should advise the School and the Local Authority by the start of the autumn term 2012. You cannot defer entry beyond the beginning of the term after your child's fifth birthday nor beyond the academic year for which the application was made (start of the summer term 2013). If you want your child to start at a later date beyond the academic year (2012/2013) you will have to make a fresh application and we cannot guarantee that a place will be available.

Part time attendance

Parents can request that their child attends part-time until the child reaches compulsory school age.

Definitions that differ from those above are included in the individual admission arrangements.

If you would like a copy of a school's full admission arrangements please contact the school or access their website.

Oversubscription Criteria

Where the number of applications exceeds the number of places available the Governing Body will apply the following over-subscription criteria.

Children with a statement of special educational needs that names the school will be offered a place without reference to the admission criteria.

1. Baptised Catholic Looked After and previously Looked After Children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order. Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children with exceptional medical and/or social needs where these needs can only be met at this school. Professional supporting evidence, e.g. from a doctor, psychologist or social worker is essential if admission is to be made under this criterion and such evidence must set out the particular reasons why this school is the most suitable for those difficulties.

3. Baptised Catholic children resident in the parish of Our Lady Immaculate, Bryn.

4. Baptised Catholic children who have a sibling at the school at the time of admission.

5. Baptised Catholic children from other parishes.

6. Looked After Children and previously Looked After Children who are other than Catholic.

7. Children who are other than Catholic who have a sibling at the school at the time of admission.

8. Children from other Christian denominations. Proof of baptism in the form of a baptismal certificate or confirmation in writing that the applicant is a member of their faith community is required from an appropriate Minister of Religion.

9. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.

10. Children whose parents express a preference for a place at the school.

Tie-breaker

If in any category there are more applications than places available, priority will be given based on distance from home to school. Distance will be measured in a straight line from the front door of the child's home address (including the community entrance to flats) to the main entrance of the school using the Local Authority's computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be the last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

Where a child lives with parents with shared responsibility, each for part of a week, the child's "permanent place of residence" will be determined as the address of the parent who ordinarily has responsibility for the child. Evidence will be required, for example in the form of a copy of a tax credit award notice or a recent bank/building society statement, showing Child Benefit being paid in their account.

This is a Catholic Primary School in the Liverpool Archdiocese see page 122.

Oversubscription Criteria

Admissions to the school will be made in accordance with parental preference. However, if the school receives more applications than places available, the following admissions criteria will be applied once places have first been allocated to pupils who have a Statement of Special Educational Needs which names the school;

Admissions Criteria

1. Children who are in public care or have been in public care**.
2. Baptised Roman Catholic children who will have a *brother or *sister attending the school, at the time of admission, and are resident in the parish of Our Lady's, Haigh.
3. Other baptised Roman Catholic children who are resident in the parish of Our Lady's, Haigh.
4. Baptised Roman Catholic children who are resident in another parish who will have a *brother or *sister attending the school at the time of admission.
5. Other baptised Roman Catholic children resident in another parish.
6. Other children who will have a brother or sister attending the school at the time of admission.
7. Other children.

Tie-breaker

In the event of over-subscription, in any one of the above criteria, priority will be given to those living nearest to the school. This would be the straight-line distance between the home address and the pedestrian entrance gate to the school grounds measured by the Local Authority using the Geographical Computer System (G.I.S.) which is based on the Ordnance Survey Map.

Where a child lives with parents with shared responsibility, each for part of the week, the address used for considering an application for a place at our school will be that of the main carer, classed as the person who is eligible to receive the Child Benefit for the child under consideration.

Notes

** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported

with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.'

In Criterion 2 & 4, above, the Governors define *brother or *sister in the same way as the Local Authority, as follows;

- half-brothers and half-sisters;
- step brothers and step sisters; and
- foster brothers and foster sisters

who live at the same address as part of the same family unit.

Part Time Attendance

Parents can request that their child attends part-time until the child reaches compulsory school age. Parents should let the school and Local Authority know before the start of the Autumn Term.

Waiting list

A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria; parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the first term of Reception.

Parents who wish their application to this Roman Catholic school to be considered against the priority faith criteria should also complete the school's Supplementary Information Form. See page 5 for further information.

Parents must complete the Local Authority Application Form.

Where the number of applications exceeds the number of places available the Governing Body will apply the following over-subscription criteria.

1. *Baptised Catholic Looked After Children and previously Looked After Children**.
2. *Baptised Catholic children living in the parish of Sacred Heart.
(Once a place has been offered parents will need to provide a birth certificate as proof of date of birth).
3. *Baptised Catholic children who have a brother and or sister at the school at the time of likely admission. This includes full, half or step-brothers and sisters, adopted and foster brothers and sisters, or a child of the parent/carer's partner, and in every case who is living at the same address and are part of the same family unit.
4. *Baptised Catholic children from other parishes.
5. Children who are in the care of the Local Authority (looked after children) and previously Looked After Children** other than Catholic.
6. Children who are other than Catholic who have a brother or sister at the time of likely admission. This includes full, half or step-brothers and sisters, adopted and foster brothers and sisters or a child of the parent/carer's partner, and in every case who is living at the same address and are part of the same family unit.
7. Children from other Christian denominations. Proof of baptism in the form of a Baptismal Certificate or confirmation in writing that the applicant is a member of their Faith Community from an appropriate Minister of Religion is required.
8. Children of other faiths. An appropriate Minister of Religion would need to confirm in writing that the applicant is a member of their faith group.
9. Children whose parents express a preference for a place at the school.

* Baptised Catholic means, within the policies and practices relating to school admissions, any child who, before the due date of application, is a baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

**** Previously looked after children** are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Tie-breaker

If more children fall into any one category than the number of places left, the governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the front door of the school, using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Tie-breaker

If in any category there are more applications than places available, priority will be given based on distance from home to school. Distance will be measured in a straight line from

the child's home address (including the community entrance to flats) to the main entrance of the school using the Local Authority's computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be last place/s to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

3. *Baptised Catholic children who have a brother or a sister at the school at the time of likely admission. ** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Oversubscription Criteria

Where the number of applications exceeds the number of places available the Governing Body will apply the following oversubscription criteria.

1. Children in public care and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Baptised Catholic Children living in the parish of St Gabriel's, Higher Folds and all children not of the Catholic faith living in Higher Folds.
3. Children who will have an older brother or sister attending the school at the time of admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters or children of the parent/carer's partner, and in every case who are living at the same address and are part of the same family unit.
4. Baptised Catholic children living in other Catholic Parishes.
5. Children from other Christian denominations and other faiths. Proof of Baptism in form of Baptismal Certificate or confirmation in writing that the applicant is a member of their Faith community from an appropriate Minister of Religion is required.
6. Children whose parents express a preference for a place at the school.

Tie-breaker

In the event of over subscription in the number of applications made under any of the categories above, then the admissions committee will offer places first to children living nearest to the school measured in a straight line distance from the address of the house/flat to the main front door of the school as measured by the local authority.

While the school is based on two sites, the point of reference for the distance from the address of the house/flat to the main front door of the school will be a point midway between the two sites.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place.

Oversubscription Criteria

All preferences listed on the Local Authority Preference Form will be considered on an equal basis with the following set of ADMISSIONS CRITERIA forming a priority order where there are more applications for admissions than the school has places available.

Children with a statement of special educational needs that names the school will be offered a place without reference to the admission criteria.

1. Baptised Catholic Looked After Children and previously Looked After Children *
2. Baptised Catholic children living in the designated Parish of St James, Orrell.
3. Baptised Catholic children who have a sibling at the school at the time of admission.
4. Baptised Catholic children living in other Catholic parishes.
5. Looked After Children and previously Looked After Children other than Catholic *
6. Children who are other than Catholic who have a sibling in the school at the time of likely admission.
7. Children from other Christian denominations. Proof of Baptism in the form of a Baptismal Certificate or confirmation in writing that the applicant is a member of their Faith community from an appropriate Minister of Religion is required.
8. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.
9. Children whose parents express a preference for a place at the school.

* Previously looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Tie-breaker

In the event of over-subscription in the number of applications made under any of the categories above, then in each of the categories the Admissions Committee will offer places first to children with siblings attending the school at the time of admission.

If numbers of applications with siblings exceed places available and/or for any remaining places within a category, the committee will apply the distance tiebreak – i.e. children living nearest the school measured in a straight line distance from the home address to the Front Door (main entrance) of the School as measured by the Local Authority.

In cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, where to admit another pupil would have class size implications or where this distance would be last place/s to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

This is a Catholic Primary School in the Liverpool Archdiocese see page 122.

IN ALL CASES, PARENTS MUST COMPLETE THE LOCAL AUTHORITY COMMON APPLICATION FORM AND WILL BE ASKED TO ALSO COMPLETE THE SCHOOL SUPPLEMENTARY FAITH REQUEST FORM. SEE PAGE 6 FOR IMPORTANT INFORMATION.

A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order. Documentary evidence of being 'previously looked after' such as a copy of the adoption or special guardianship order must be submitted.

A Baptised Catholic is one who has been baptised into full communion with the Catholic Church by the Rites of baptism of one of the various Churches in communion with the See of Rome (Cf. Catechism of the Catholic Church 1203). Written evidence of this baptism can be obtained by recourse to the baptismal Registers of the church in which the baptism took place.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal registers of the church in which the Rite of Reception took place.

Tie-breaker

If in any category there are more applications than places available, priority will be given based on distance from home to school. Distance will be measured in a straight line from the front door of the child's home address (including the community entrance to flats) to the main entrance of the school using the Local Authority's computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be the last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

Oversubscription Criteria

Where the number of applications exceeds the number of places available the Governing Body will apply the following over-subscription criteria

Children with a statement of special educational needs that names the school will be offered a place without reference to the admission criteria.

1. ****Baptised Catholic children who are in the care of the Local Authority (looked after children) and previously looked after children.**
2. ***Baptised Catholic children living in the designated Parish of St William.**
3. ***Baptised Catholic children who have a brother or a sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters or children of the parent/carer's partner, and in every case who are living at the same address and are part of the same family unit.**
4. ***Baptised Catholic children living in other Catholic parishes.**
5. ****Children who are in the care of the Local Authority (looked after children) other than Catholic and previously looked after children.**
6. **Children who are other than Catholic who have a brother or a sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters or children of the parent/carer's partner, and in every case who are living at the same address and are part of the same family unit.**
7. **Children from other Christian denominations. Proof of Baptism in the form of a Baptismal Certificate or confirmation in writing that the applicant is a member of their Faith community from an appropriate Minister of Religion is required.**
8. **Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.**
9. **Children whose parents express a preference for a place at the school.**

*'Baptised Catholic' means, within the policies and practices relating to school admissions, any child who, before the due date of application, is a baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Tie-breaker

In the event of any over-subscription in the number of applications made under any of the categories above then the admissions committee will offer places first to children living nearest to the school measured in a straight line from the home address to the main front door of the school as measured by the Local Authority, with those living closer to the school receiving higher priority.

In rare cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, random selection will be used to determine the allocation of places.

The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – eg. child benefit payment address. Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.

Tie-breaker

If more children fall into any one category than the number of places that are left, the Governors will offer places to the children who live nearest to the school as measured by a straight line from the child's home address to the door of the main entrance of the school using the Local Authority's system of measurement, until the number of places has been filled.

In rare cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, where to admit another pupil would have class size implications, random selection will be used to determine the allocation of places.
