

Oversubscription criteria for community and voluntary controlled primary schools

Where a school receives more applications than places available, the following oversubscription criteria will be applied once places have first been allocated to pupils who have a statement of special educational need which names the school:

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children whose older brothers or sisters attend the school and will still be there at the time of admission
3. Children who live closest to the school.

Over-subscription Criteria for Hindley Junior and Infant School

Hindley Junior and Infant is a fully inclusive school with facilities to accommodate children with a wide range of complex needs.

Where the school receives more applications than places available, the following oversubscription criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school:

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children with physical and / or medical difficulties who the Local Authority have determined, following an assessment of the child's needs, require a resourced place at the school.
3. Children whose older brothers or sisters attend the school and will still be there at the time of admission
4. Children who live closest to the school.

Over-subscription Criteria for Leigh CE Junior School

Consultation is ongoing regarding proposals to change the two infant schools and one junior school in Leigh to through schools so that they cater for children age 4 to 11. If the proposals are agreed the transition will begin in September 2016. Full details are available at

<http://www.wigan.gov.uk/Resident/Education/Schools/School-Admissions/Consultation.aspx>.

Where a school receives more applications than places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school:

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Notes to oversubscription criteria for community and voluntary controlled schools:

Tie breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to a central point at the school using a Geographical Information System (GIS) which is based on ordnance survey.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place. A copy of the policy is available on request from the local authority.

Child's home address

When considering your child's application, we will use the permanent home address we have for you at the closing date for applications. If parents are separated and the child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who receives the Child Benefit for this.

Brothers and Sisters

We will include:

- Half-brothers and half-sisters;
- Stepbrothers and stepsisters; and
- Foster brothers and foster sisters;

who live at the same address as part of the same family unit.

Children with a statement of special educational need

Children with a statement of special educational needs which names the school will be offered a place without using the oversubscription criteria. This is a legal requirement.

Late applications

Late applications (those received after the closing date) will only be considered after those received by the closing date. The only exception to this is applications for

looked after children that are received by 15 February will be included with on time applications.

Nursery Applications

If your child goes to a nursery attached to the school:

- They do not have an automatic right to a place in a reception class at the school
- You must send in your application form or apply on-line by the closing date for applications.

Deferred Entry

Parents can request that the date their child is admitted to the school is deferred until later in the school year or until the child reaches compulsory school age in that school year. Where entry is deferred, the place will be held open and not offered to another child. Parents cannot defer entry beyond the beginning of the term after the child's fifth birthday, nor beyond the academic year for which the original application was accepted.

Part-time Attendance

Parents can request that their child attends part-time until the child reaches compulsory school age.

Waiting lists

Places may become available at a school after the offer date. We will:

- Put all children who we refuse a place at one of their preferences on the waiting list for the school;
- Keep the list in priority order, decided by the oversubscription criteria for the school only;
- Offer any place that become available to the next child on the waiting list; and
- Maintain the waiting list until the end of the autumn term.

We cannot take into account the length of time a child's name has been on the waiting list, only the admission criteria for the school. This means that your child's position on the list may change if another parent asks to be put on the list and their child has higher priority in the oversubscription criteria.

Oversubscription Criteria

Where a school receives more applications than places available, the following oversubscription criteria will be applied once places have first been allocated to pupils who have a statement of special educational need which names the school:

1. Looked after children and previously looked after children

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children whose older brothers or sisters attend the school and will still be there at the time of admission
3. Children who live closest to the school.

Tiebreaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to a central point at the school using a Geographical Information System (GIS) which is based on ordnance survey.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place.

The governors have adopted the same definitions for child's home address, brothers and sisters, waiting list, nursery applications, deferred entry, part time attendance as

for community and voluntary controlled schools (please see the beginning of section 6).

Oversubscription Criteria

In the event that there are more applicants than places, after admitting all children with a statement of educational need naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

1. Children in Public Care

(a) This includes any "looked after child" and any child who was previously looked after but immediately after being looked after became subject to an adoption, residence or special guardianship order. Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order

2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school See note (i)

3. Children whose parents live within the ecclesiastical parish of Standish, St. Wilfrid's. See note (ii)

- (a) Children who have a sibling attending the school on the date of the application and on the date of admission. See note (iv)
- (b) Children with a parent/guardian worshipping in a church in full membership of churches together in England
- (c) Other children

4. Children whose parents live outside the parish

- (a) Children who have a sibling attending the school on the date of the Application and on the date of admission. See note (iv)
- (b) Children with a parent/guardian worshipping in a church in full membership of churches together in England
- (c) Other children.

5. Proximity of home to school.

Tie breaker

Where there are more applications for the available places within a category, then the distance between the GIS address points for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is a predetermined point generated from the Local Authority's GIS computer database, which is based on information from an Ordnance Survey to the front entrance of the school. If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too. Where the cut off point is for addresses within the same building, or within the same distance from the school, then the single measure between the address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

NOTES:

- i) Professional supporting evidence from e.g. a doctor, psychologist, social worker is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.
- ii) A map showing the boundaries is available in school.
- iii) The distance between the Ordnance Survey address points for the school and the home measured in a straight line will be used to determine which addresses are closest to the school.
- iv) Siblings include step, half, foster, adopted brothers and sisters living at the same address as part of the same family unit.
- v) Churches Together in England is taken as on the 1st September 2014. A list may be obtained from its website "Churches Together in England website at cte.org.uk". Churches in membership of the equivalent bodies to CTE in Northern Ireland, Scotland and Wales are equally accepted. Parental worshipping is normally taken to mean a minimum of monthly attendance at church at public worship for at least the year leading up to the 1st September, 2014.

The governors will request confirmation of this from the relevant members of the clergy or church officer. Where a family has changed churches, then information about all of them will be required.

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of the application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose names are at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted.

The waiting list will operate until the end of the Autumn term 2015 for those applying for a place for the 2015 intake.

Address of pupil

The address used on the school's admission form must be the current one at the time of the application, i.e. the family's main residence. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the governors reserve the right to make enquiries of any relevant third parties e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

The governors have adopted the same definitions for nursery classes, deferred entry and part time attendance as for community and voluntary controlled schools.

This school uses a supplementary information form. See part 1 for important information about this.

Oversubscription Criteria

Should there be more applications than places available then the following criteria in order of priority, decided by the Governors would be applied, once places have first been allocated to pupils with a statement of special needs which names the school:

1. 'Looked after children and previously looked after children

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.'

2. Children and/or parents who regularly attend St. John the Evangelist Church Abram (regular attendance is deemed to be once a month for the 6 months leading up to the time of application)
3. Children who will have older brothers or sisters attending Abram C.E. school at the time of admission.
4. Children who live in the parish of St John the Evangelist who may not be Church of England but who belong to the wider Christian community.
5. Children with special needs who would benefit from admission to our school. These applications must be supported by a letter from a registered health professional such as a doctor or social worker setting out the particular reasons why this school is the most suitable and the difficulties that would be caused if the child had to attend another school.
6. Proximity of home to school main entrance (measured in a straight line from the child's home address using the LA data computer programme) In the event of there being more than 35 applications in any of the criteria's 1-5, proximity to the school (6) would be used as the deciding factor.

Tie breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the school main gate, using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Class Organisation

As our standard number is 35 and school has to comply with government's requirements to have no more than 30 children in a class in Key Stage 1, it might be necessary to group children of different ages in classes termed as 'vertically grouped'. Should this be the case when your child enters school every effort will be made to explain to parents what this means and how this affects them.

In order that such young children might settle down to school life as quickly as possible children will attend part-time for the first week of term and fulltime thereafter. Initial interviews and visits to school by prospective parents can be made by appointment.

The governors have adopted the same definitions for twins and multiple births, brothers and sisters, child's home address, deferred entry, nursery classes, part time attendance and waiting lists as for community and voluntary controlled schools.

This school uses a supplementary information form. See part 1 for important information about this.

Oversubscription Criteria

Our admission number is 30. If we receive more applications than places available, the following admission criteria will be applied once places have first been allocated to pupils who have a statement of special educational needs which names the school:

1. Looked after children and previously looked after children (see note E)
2. Children with siblings who attend Aspull Church Primary School at the time of admission (see note A)
3. Children who, with their immediate family regularly attend St Elizabeth's Church, Aspull or Aspull Methodist Church (see note B)
4. Children who with their immediate family regularly attend other Christian churches (see note B & C)
5. Children with proven special educational, medical or social needs who would benefit from a place in this school (see note D)
6. Children living closest to the school

Tie breaker

When we use the admission criteria, more children might fall into a particular category than the number of places left. If this happens we use the tie breaker to decide who is given a place.

Places will be given to the children who live nearest to the school. We measure this distance:

- From the child's home address in a straight line to the centre point of the school site as determined by the Local Authority
- Using the GIS system which is based on Ordnance Survey maps

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If the last place at the school is for one of twins (or triplets, and so on), other twin or triplet will be offered a place too.

Notes:

- A. 'Siblings' includes step, half, foster and adopted who live at the same address as part of the same family unit
- B. 'Regular Church Attendance' is normally taken to mean a minimum of monthly attendance at Church for a period of 12 months by an immediate adult member (to include: parent, grandparent, primary carer) and the child prior to the closing date for applications. The Governors will request confirmation of this from the relevant member of clergy on our supplementary 'Church Reference' form
- C. The Governing Body defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of, 'Churches Together in England'
- D. Our supplementary 'Social & Medical Need' form together with a supporting letter from a doctor, social worker, member of clergy or other professional, with knowledge of the family and the needs of the child, must accompany the completed application form. The letter should explain why admission to the school is necessary for the child's well-being
- E. Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order).

The governors have adopted the same definitions for twins and multiple births, brothers and sisters, child's home address, deferred entry, nursery classes, part time attendance and waiting lists as for community and voluntary controlled schools.

Oversubscription Criteria

The Governing Body will admit all children having statements of special educational need in whose statement the school is named.

If more children apply to the school than the number of places available then each applicant will be considered using the following criteria, which will be applied in the order of the priority shown.

1. Children in public care (Looked After Children). (See note a)
2. Children who will have a brother or sister attending the school at the time of admission (see note d)
3. Child participation in worship within the parish of Atherton and Hindsford. (Validated by Clergy) (see note b)
4. Child participation in worship at another Christian Church, defined as members of Churches Together in Britain and Ireland (see www.ctbi.org.uk) (Validated by Clergy) (see note b)
5. Child whose medical or social circumstances mean that their needs can only be met at this school (see note c)
6. A child resident in the St. George's district within the parish of Atherton and Hindsford. (School will advise district on request)
7. A child resident in the conventional district of St. John's, St. Philip's or St. Anne's districts of the parish of Atherton & Hindsford. (School will advise district on request)
8. Any other children, with priority given to those who live nearest to Atherton St. George's C.E. Primary School.

Tie breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to the main entrance of the school using the local authority Geographical Information System (GIS) which is based on ordnance survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

Where there are children of multiple births wishing to be admitted and the sibling is the 45th child, the governors may admit over the infant class requirement if it is possible to do so.

You must give the correct permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally live.

If you are separated and your child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.

Notes:

- a) Looked after children who have been looked after for 1 day or more, children who were adopted from care, children who left care under a Special Guardianship Order on or after 30th December, 2015 or children who had a Residence Order on or after 14th October, 1991. Applications for previously looked after children must be supported with appropriate evidence i.e. copy of the adoption order, residence order or special guardianship order.
- b) Child participation in worship will be taken to mean a minimum of monthly attendance at Church/Public Worship/Sunday School Worship/Pre-School Worship, for at least the year prior to 1st September in the year before admission to the school.
- c) Where admission is sought under exceptional, medical or social circumstances criteria, professional supporting evidence, eg. from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- d) 'Brother' or 'sister' includes step, half, foster and adopted brothers or sisters living at the same address and full brother or sister living apart.

The governors have adopted the same definitions for child's home address, deferred entry, nursery classes, part time attendance and waiting lists as for community and voluntary controlled schools.

This school uses a supplementary information form. See part 1 for important information about this.

2. Children whose parents^{*} are involved in the work and worship of Bickershaw Parish Church and attend on a regular basis confirmed by a reference from the Vicar/Minister (a).

6. Distance from home to school. Children living nearest to the school, measured in a straight line from the child's home address to the main office entrance of the school, will be given priority.

Tie breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the children's home address to the main school entrance, using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins (or triplets and so on) our policy is to admit the other twin or triplets too.

Notes:

*Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place.

When considering your child's application, we will use the permanent home address we have for you at the closing date for applications. Oversubscription Criteria

In the event that there are more applicants than places, the governing body will allocate places using the following criteria, which are listed in order of priority:

1. Children looked after by the Local Authority (in care) – see note (i)
2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school – see note (ii)
3. Regular attendance by child and parents at Christ Church, Ince for up to 12 months until the closing date of applications (1 time per month on average).
4. Regular attendance by child and parents at another Church affiliated to 'Church's Together' in Britain for up to 12 months until the closing date of applications (1 time per month on average).
5. Children who have brothers/sisters already attending Ince CE Primary School – see note (iii)
6. Resident in the Parish of Christ Church, Ince.
7. Parents who express a preference for a place at the school.

Notes

- (i) This includes any 'looked after child' and any child who was previously looked after, but ceased to be so because they were adopted (or became subject to a residence or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
- (ii) If the application is for a child who has special medical or social circumstances then the application for admission MUST be accompanied by a supporting letter from a doctor, social worker, member of the clergy or other professional with knowledge of the family and the needs of the child. The letter should explain why admission to the school is necessary for the child's well-being.
- (iii) Siblings include :-

- half-brothers and half sisters
- step-brothers and step-sisters
- foster brothers and foster sisters who live at the same address as part of the same family unit.

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to the main entrance of school where the school office is located using the Local Authority GIS system which is based on Ordnance Survey.

- a. You must give the child's correct permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally live. If you are separated and your child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.
- b. In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.
- c. Where there are twins, triplets wanting admissions and there is only a single place left within the admission number, then the governing body will exercise as much flexibility as possible with the requirements of infant class sizes. In exceptional circumstances we are now able to offer places for both twins and all triplets, even when this means breaching infant class size limit. This may also apply to siblings who are in the same year group.
- d. School will maintain a waiting list until the end of the Autumn Term 2015 for those children applying for school places for the 2015 intake. Children will be ranked on this waiting list in the same order as the admission criteria above and not based on the date of application.

Consultation is ongoing regarding proposals to change the two infant schools and one junior school in Leigh to through schools so that they cater for children age 4 to 11. If the proposals are agreed the transition will begin in September 2016. Full details are available at <http://www.wigan.gov.uk/Resident/Education/Schools/School-Admissions/Consultation.aspx>.

Oversubscription Criteria

The Governors will admit all children having a statement of special needs in which school is named. In the event of oversubscription for the remaining places the following criteria will be applied in order:

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children with brothers/sisters attending Leigh C.E. Infants' School or Leigh C.E. Junior School at the time of admission.
3. Children whose parent(s)/legal guardian(s) regularly attend Leigh Parish Church at least once a month for a minimum of six months up to the time of application. (The confirmation statement on the supplementary information form must be signed by the appropriate clergy or a confirmation letter attached).
4. Children whose parent(s)/legal guardian(s) regularly attend, at least once a month and for a minimum of six months up to the time of application, a Christian church which is a member of the Churches Together in Britain and Ireland (see CTBI website for details www.ctib.org.uk) or a local Churches Together group. (The confirmation statement on the supplementary information form must be signed by the appropriate clergy or a confirmation letter attached)
5. All other children.

Tie breaker

If more children fall into a particular category than the number of places left, the Governors will allocate places to the children who live nearest to the school measured in a straight line from the child's home address to the centre of the school using the Local Authority's measuring service based on Ordnance Survey.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. This process will be supervised by someone independent of the school. Please contact the school if you would like more information about this.

Evidence

Applications falling within the criteria 3 and 4 will be required to submit with their application a letter from their minister to support the criterion.

The governors have adopted the same definitions for brothers and sisters, twins or triplets, nursery classes, child's home address, deferred entry, part time attendance and waiting lists as for community and voluntary controlled schools.

Oversubscription Criteria

The Governors will admit all children having a statement of special educational needs in which the school is named. In the event of oversubscription for the remaining places they will be allocated by use of the following criteria in the order that follows.

When applications are received, the decision on which children will be admitted will be based on the following criteria:

1. Looked after children and previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.
2. Children whose medical or social circumstances mean that their needs can only be met at this school.
3. Children who will have an older brother or sister attending the school at the time of their admission.
4. Up to 12 places will be allocated to any children based on geographical proximity to the school. The remaining places will be allocated as follows:
5. Baptised children whose parent(s)/guardian(s) are in regular attendance at St Peter's Church or any fresh expression of St Peter's Church. (see note A)
6. Baptised or dedicated children whose parent(s)/guardian(s) are in regular attendance at a church or any fresh expression of a church within the parish.
7. Any other children (by proximity).

Tie breaker

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. This process will be supervised by someone independent of the school. Please contact the school if you would like more information about this.

Twins: Where there are children of multiple births wishing to be admitted and the sibling is the 30th child, the governors may admit over the infant class requirement if it is possible to do so.

Notes:

- a) Regular attendance is taken to mean a minimum of once a month attendance at church at public worship or a fresh expression eg Messy Church, Cafe Church etc for at least the year prior to 1st September in the year before admission to the school. Evidence of infant baptism or dedication of the child and of regular attendance of parent(s)/guardian(s) must be provided by a member of the clergy or other designated church officer on the Supplementary Information Form available from school.
- b) Geographical Proximity:
If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the front gate at the infant site, using Wigan Council's measuring system.
- c) **Waiting List:** Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admissions number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. The waiting list will operate until the end of the autumn term only

The governors have adopted the same definitions for brothers and sisters, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools.

Oversubscription Criteria

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children with Special Educational Needs who have been identified by the LA as requiring Targeted Individual Support at Level 2 (TIS2)*;
3. Children who have a brother or sister attending the school who will still be there at the time of admission;
4. Children who, with their immediate families, regularly** attend St. Mary's Church Lowton.
5. Children who, with their immediate families, regularly** attend Churches in communion with the Church of England.
6. Other children who have been baptised into the Church of England or other Churches in communion with the Church of England;
7. Children living closest to the School, as measured from the child's permanent home address in a straight line to the pedestrian gate entrance to the School on Newton Road using the Local Authority's GIS based on Ordnance Survey.

Tie breaker

Where there are more children in one particular criterion than the number of places available, places will be allocated to the children who live nearest to the school. The distance will be measured in a straight line from the child's home address to the pedestrian gate entrance of the school using a Geographical Information System (GIS) which is based on Ordnance Survey.

Occasionally the distance from home to school is the same for more than one child. For example, if more than one child lives in the same block of flats. In these cases, a system to

randomly pick who will be offered a place will be used. The governing body will use the same system used by the local authority for community and controlled schools. A copy of the policy is available on request from the local authority.

Notes

*Any child with a statement of special educational needs which names Lowton St. Mary's C.E. Primary as the required school for admission will be admitted.

** 'Regularly' for this purpose is defined as 'has attended a church service at least once per month, for a minimum of six months in the calendar year prior to the application for admission being made.' Such applications would need to be supported in writing by the appropriate Minister of Religion.

The governors have adopted the same definitions for nursery classes, child's home address, brothers and sisters, deferred entry and part time attendance and waiting lists as for community and voluntary controlled schools.

Oversubscription Criteria

Applications for admission are dealt with by the Governors of the school using the following criteria:

1. Looked after children and previously looked after children. (See note 1)
2. Children of regular members of a Christian Church. (See notes 2, 3).
3. Children who attend Church or Sunday school on a regular basis. (See note 4).
4. Children who have brothers/sisters already attending the school who will be there at the time of admission including half-brother/half-sister, step brothers/step sisters and foster brothers/foster sisters who live at the same address as part of the same family unit.
5. Children with a proven special educational, medical or social need whom the Governors believe would benefit from a place in this, their nearest school. (Supporting evidence from a professional person e.g. doctor, social worker or clergy member will be needed).
6. Children whose home address is within the proximity of the school premises as measured by the L.A. GIS system will be given priority. (Proof of residence may be required e.g. Child Benefit Book). (Please see note 5).

Tie breaker

If a tie breaker is required, proximity to the school premises as measured by the LA GIS system will be given priority. (See note 6)

Notes:

1. Previously looked after children are children who were looked after but ceased to be so because they were adopted (or became subject to a residence order or a special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order, or special guardianship order.
2. A regular worshipper of a Church is deemed by the Governing Body to be one who has attended a service in that Church, a minimum of once a month, for at least 1

- year prior to the closing date for applications. The vicar or minister of the Church which you attend must sign the supplementary form to confirm said attendance.
3. The 'Governing Body' defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of 'Churches Together in England'.
 4. Regular attendance at Sunday school is deemed by the Governing Body to be once a month, for the 12 months prior to the closing date for applications.
 5. The home address is deemed by the Governing body to be the child's permanent home address. This is where the child and parent, or the person who has care of the child or parental responsibility, normally live. If you are separated and your child spends time at each parents address the Governing Body deems that the address which is used for admissions is that of the main carer. Therefore the address of the parent who receives Child Benefit will be used.

The governors have adopted the same definitions for waiting list, nursery classes, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools.

Child's home address is taken as the address at which the child sleeps for the majority of the school week.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Oversubscription Criteria

The school will admit all pupils with a Statement of Special Educational Needs where the school is named in the Statement.

1. Looked after children and previously looked after children* [who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order)] who are of the Christian faith;
2. Looked after children and previously looked after children* [who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order)].
3. Children whose parent** or parents** are actively involved in the worship of St George's Church, Tyldesley (One parent must be on the Church Electoral Roll and must attend a church service on at least 12 occasions during the 12 month period prior to the application). (Written evidence required from the Rector or other person nominated by the Rector.)

8. Children who live outside the parish of St George**** with priority given to those living nearest to the school (from the child's home address*** to the main gate at school as measured by the LA)

* Applications for previously looked after children must be supported with appropriate evidence, i.e. a copy of the adoption order, residence order or special guardianship order.

** 'Parent' is defined as the adult with parental responsibility for the child.

*** Front door of the child's home address is taken as the address at which the child sleeps for the majority of the school week.

**** A map showing the boundary for St George's parish, and other Christian churches within it, is available at the school office.

Tie breaker

In the event of oversubscription in any criterion, priority will be given to the children living nearest to the school (from the child's front door to the main gate at school as measured by the LA ;)
Occasionally, the distance from home to school is the same for more than one child. In this case a system will be used to pick at random who will be offered the place.

NB Where there are children of multiple births wishing to be admitted and the sibling takes the final place, the governors may admit over the infant class requirement if it is possible to do so.

The random allocation process will be supervised by someone independent of the school.

Where evidence is required, it must be included with the application at the agreed closure date.

If the demand exceeds the number of places available, priority is given to:

1. Looked after children and previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to residence order or special guardianship order).
2. Children with siblings who will be attending St John's C.E. Infant School or Leigh C.E. Juniors at the time of admission.
3. Children who, with their immediate families are regular worshippers at any Christian Church within the Parishes of St Mary's, St Peter's, St Paul's Westleigh, St Michael's Howe Bridge, St Thomas Leigh, and Christchurch Pennington

(Christian Church as defined below c) (immediate family as defined below d).

4. Children, who with their immediate families, are worshippers at another Christian Church. *(Christian Church as defined below c) (immediate family as defined below d).*
5. Children who have been baptised into the Christian faith.
6. Any other children, with priority given to those living nearest to the school. (Proximity to school premises measured in a straight line distance, to the main front entrance and measured by the LA).

Notes:

- a) A regular worshipper of a church is deemed by the Governing Body to be one who has attended a service in that church, a minimum of once a month, for at least the 12 months prior to the closing date for applications.

- b) Evidence of regular worship at a Christian Church must be presented in writing from the Minister of the Church concerned, and must be sent with the completed application form.
- c) The Governing Body defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of 'Churches Together in England'.
- d) Immediate family is classed as the person/people the child is living with, i.e. mum, dad, step-parent and natural parent, foster parents, grandparents with a care order, A 'parent' is classed as the parent to whom the child allowance is paid.
- e) Siblings include half brothers and half sisters, stepbrothers and stepsisters, foster brothers and foster sisters who live at the same address as part of the family unit.
- f) If at any stage there is a tie for a place, the decision will be based on distance from the main school entrance, measured in a straight line by the LA, to the child's home address. Occasionally this distance may be the same for more than one last child with the final place allocation. In this case, governors will use random allocation using the LA as the independent authority under their policy guidelines.
- g) If we offer the last place available at a school to one of twins (or triplets and so on), our policy is to admit the other twin or triplets too.

As a Voluntary Aided Church of England, the Governors are entitled to use a faith based over-subscription criteria. Parents who wish their application to be considered under criteria 3, 4 or 5 are required to complete our own school supplementary form which is available on request from the school or LA. They must be returned as detailed in the booklet 'Admissions to Primary Schools 2015-2016'.

The governors have adopted the same definitions for waiting list, nursery classes, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools.

Oversubscription Criteria

Where the school receives more applications than places available the following admission criteria are applied, once places have first been allocated to pupils who have a statement of special educational needs which names St. John's CE Primary school.

1. Looked after children and previously looked after children.

Previously looked after children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.'
2. Children whose parents / guardians are regular and frequent attendees (once per month over 12 months) of St. John's Church, up to the time of application.
3. Children whose parents / guardians are regular and frequent attendees (once per month over 12 months) of another Christian church that is within the Churches Together in England group, up to the time of application.
4. Children who have a brother or sister attending the school at the time of admission. This includes half-brothers and sisters, step-brothers and step-sisters, foster-brothers and foster-sisters who live at the same address as part of the same family unit.
5. Children who have particular medical or social needs which when proven, indicate that they should attend this, their nearest school. A supporting letter from a doctor, social worker, clergy member or other professional with knowledge of the family and the particular needs of the child will be required in support of applications for these places and must accompany the application form. The letter should explain why admission to school is necessary for the child's well being. Cases will be considered on merit and in strict confidence.
6. Those who express a preference for a place at school.

Tie Breaker

In the event of any over-subscription in the number of applications made under any of the categories above then the admissions committee will offer places first to children living nearest to the school measured by a straight line from the child's home address to the main entrance of the school building.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins or triplets we will admit the other twin or triplet too.

The governors have adopted the same definitions for child's home address, waiting list, nursery classes, deferred entry, part-time attendance as for community and voluntary controlled schools.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). 5. The address we use for admission to school is that of the main carer who receives the Child Benefit.
6. The Governing Body defines 'Christian Church' as being any Church in membership of, or sharing the statement of belief of 'Churches Together in England'.

Tie breaker

See note 4 above. In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class sizes regulations, a system will be used to randomly pick who will be offered a place.

Notes:

Appropriate evidence must be produced for example: copy of adoption, residence or special guardianship order.

- e) Where admission is sought under exceptional medical or social circumstances criteria, professional supporting evidence eg from a doctor, psychologist or social worker is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- f) The district boundaries shall be those recognised by the Atherton Church of England Clergy. Details can be accessed from the school office.

Tie breaker

Living nearest to the school refers to the distance, measured by the LA, from the child's normal home to the school's front entrance, nearer addresses having priority over more distant ones. When considering your child's application, we will use the permanent home address we have for you at the closing date for applications.

If parents are separated and the child spends time at each parent's address, the address we use for admission to school is that of the main carer. We use the address of the parent who gets the Child Benefit for this.

In cases where there are two or more children with the same measurement (for example if more than one child lives in a block of flats), or where to admit another child would breach

the infant class size regulations, a fair draw will pick who will be offered a place. This process will be supervised by someone independent of the school. If we offer the last place available to one of twins (or triplets and so on) our policy is to admit the other twin or triplet too.

It should be noted that Baptism is not a criteria for admission nor is the length of time that a child's name has been registered at the school.

The governors have adopted the same definitions for waiting list, deferred entry, part time attendance as for community and voluntary controlled schools.

This school uses a supplementary information form. See part 1 for important information about this.

Tie breaker

If a tie breaker is required those living nearest to school will be given priority. Distance will be measured in a straight line from the school's main entrance to the child's home address as measured by the Local Authority using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Admissions Guidance

** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special

guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Attendance for 12 or more times for the previous 12 months prior to application. Anyone wanting to offer evidence of a parent/guardian involvement must obtain a signature from their parish clergy/minister/other church on the school's Supplementary Information Form available from the school.

No sibling priority is given to cousins, regardless of their address.

Maps of the parish boundaries may be accessed at the school office.

3. Children who will have an older brother or sister attending the St. Thomas C.E. Primary School at the time of their admission.
4. Baptised children whose parent(s)/guardian(s) are in regular attendance at any of the Anglican Churches within the Parish of St. Thomas with All Saints in Leigh.
5. Baptised or dedicated children whose parent(s)/guardian(s) are in regular attendance at a church within the parish which is a member of Churches Together in Britain and Ireland, or a local Churches Together organisation.
6. Children whose families are in regular attendance of another Church Of England church in the Leigh Deanery, and who live within the parish boundaries of Bedford St. Thomas.
7. All other children, with priority given to those living nearest to the school.

Tie breaker

If more children fall into any one category than the number of places left, the Governors will offer places to the children who live nearest to the school. Distance will be measured in a straight line from the child's home address to the main gate of the school (Astley Street), using Wigan Council's measuring system.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. The random allocation process will be supervised by someone independent of the school. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins (or triplets and so on) we will admit the other twin or triplet too.

Notes

- a. Where admission is sought under special medical or social circumstances criteria, professional supporting evidence, e.g. from a doctor, psychologist or social worker, is essential. Such evidence must set out the particular reasons why the school is the most suitable for the child and the difficulties that would be caused if the child had to attend another school.
- b. Brother' or 'sister' includes step, half, adopted and foster brothers or sisters living at the same address as part of the same family unit and full brother or sister living apart.
- c. Regular attendance is taken to mean a minimum of monthly attendance at church at public worship for at least the year prior to 1st September in the year before admission to the school (i.e. year before September 2015). Evidence of infant baptism or dedication of the child and of regular attendance of parent(s)/guardian(s) must be provided by a member of the clergy or Church Warden on the forms provided.

The governors have adopted the same definitions for waiting list, nursery classes, child's home address, deferred entry and part time attendance as for community and voluntary controlled schools.

This school uses a supplementary information form. See part 1 for important information about this.

Oversubscription Criteria

In the event that there are more applicants than places, after admitting all children with a statement of educational need naming the school, the governing body will allocate places using the criteria below, which are listed in order of priority.

1. (a) Looked children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. A copy of the adoption order, residence order or special guardianship order.

2. Children with special medical or social circumstances affecting the child where these needs can only be met at this school.

Professional supporting evidence from eg a doctor, psychologist, social worker, is essential if admission is to be made under the criterion for special medical or social circumstances, and such evidence must set out the particular reasons why the school in question is the most suitable school and the difficulties which would be caused if the child had to attend another school.

3. Children who have a sibling attending the school on the date of application and on the date of admission. Siblings include step, half, foster, adopted brothers and sisters living at the same address, as part of the same family unit.
4. Children whose parents live within the ecclesiastical parish of St. Anne's Church, Shevington. A map showing the boundaries is available in school.
5. Children with a parent / guardian worshipping in a church in membership of Churches Together in Britain and Ireland.

Churches Together in Britain and Ireland is taken on the 1st September in the year prior to admission to the school. A list may be obtained from its website.

Parental worshipping is normally taken to mean a minimum of monthly attendance at church at public worship for at least six months. The relevant date is 1st September 2012.

The Governors will request confirmation of this from the relevant clergy or church Officer. Where the family has changed churches, then information about all of them will be required.

6. Other children.

Tie breaker

Where there are more applications for the available places within a category, then the distance between the GIS address point for the school and the home measured in a straight line will be used as the final determining factor, nearer addresses having priority over more distant ones. This address point is a predetermined point generated from the local authority's GIS computer database, which is based on information from an Ordnance Survey to the Front Entrance of the school. Where the cut off point is for addresses within the same building, then the single measure between the address points will apply and the Local Authority's system of a random draw will determine which address(es) receive the offer(s).

Waiting list

Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted.

This waiting list will operate until the end of the autumn term only.

Address of pupil

The address used on the school's admission form must be the correct permanent home address ie the family's main residence. This is where the child and parent or the person who has care of the child or parental responsibility normally lives. If the address changes subsequently, the parents should notify the school. Where the parents live at different addresses, and there is shared parenting, the address used will normally be the one where the child wakes up for the majority of Monday to Friday mornings. If there is any doubt about this, then the address of the Child Benefit recipient will be used. Parents may be asked to show evidence of the claim that is being made for the address, e.g. identity cards of various sorts showing the child's address as the one claimed. Where there is dispute about the correct address to use, the governors reserve the right to make enquiries of any relevant third parties, e.g. the child's GP, Council Tax Office, Electoral Registration Officer, utilities provider. For children of UK Service personnel and other Crown Servants returning to the area proof of the posting is all that is required.

The governors have adopted the same definitions for nursery classes, deferred entry and part time attendance as for community and voluntary controlled schools.

Oversubscription Criteria

When the demand for places exceeds this number, after places have been allocated to children with a statement of special educational need which names this school, the Governors will allocate places on the following basis.

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

2. Children who already have brothers and sisters in the school at the time of admission. This includes half brothers/sisters, step brothers/sisters and foster brothers/sisters living at the same address as part of the same family unit.
3. Children together with a parent/guardian, attend either Westleigh St Paul's Church or Westleigh St Peter's Church at least four times in any calendar year from January to December, previous to application..
4. Baptised members of the Church of England living in the Parish.
5. Baptised members of the Church of England living outside the Parish.
6. Any other children, with priority given to those living nearest to the school. (Proximity to school premises measured in a straight line distance as measured by the LA from the child's home address to the rear entrance point).

Tie breaker

Where there are more applicants in one category than there are places left to offer, the governing body will offer places to those pupils who live nearest to the school. The distance will be measured in a straight line from the child's home address to the rear entrance point at school.

In cases where there are two or more children with the same distance measurement (for example if more than one child lives in a block of flats), where to admit another child would

Oversubscription Criteria

In the event of the school receiving more applications than there are places available, the Governors will give priority to applications in the following order;

1. Looked after children and previously looked after children.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. A copy of the adoption order, residence order or special guardianship order.

2. Children and/or parents who have attended Saint Andrew's Church or another Anglican Church for at least one occasion per month, for a period of one year prior to the time of application. Supporting evidence is required using the supplementary information form.
3. Those who have an older brother or sister at school at the time of admission.
4. Children and/or parents who attend another Christian Church for at least one occasion per month, for a period of one year prior to the time of application. Supporting evidence is required using the supplementary information form.
5. Those whose permanent home is closest to school.
6. Those who express a preference for a place at the school.

Tie breaker

In the event that there are more applications than there are places available in any one criterion, a Tie breaker will apply by measuring the distance from home to school.

Definitions

[item 3] Brother or Sister means full brothers or sisters, half brothers or sisters, stepbrothers or sisters who live at the same address as part of the same family unit.

[item 4] Christian Church means one in which members subscribe to the Doctrine of the Holy Trinity.

[item 5 & Tie breaker] Home (when there is shared parental responsibility for a child) means the address of the main carer. We class the main carer as the person who is eligible for child benefit. Distance means a straight-line measurement between the child's home address and the centre of the school's perimeter boundary. This is measured by using a geographical computer system (GIS), which is based on ordnance survey.

In cases where there are two or more children with the same distance measurement, where to admit another child would breach the infant class size regulations, a system will be used to randomly pick who will be offered a place. Please contact the school if you would like more information about this.

If we offer the last place available to one of twins (or triplets and so on) we will admit the other twin or triplet too.

Primary schools in the Liverpool Catholic Archdiocese

The governors of the majority of Catholic primary schools in the Liverpool Archdiocese have adopted common definitions as follows:

Baptised Catholic

'Baptised Catholic' means, within the policies and practices relating to school admissions, any child who, before the due date of application, is a baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

For a child to be considered as a Catholic, evidence of a Catholic Baptism or reception into the Church will be required.

A Baptised Catholic is one who has been baptised into full communion with the Catholic Church by the Rites of baptism of one of the various ritual Churches in communion with the See of Rome (Cf. Catechism of the Catholic Church 1203). Written evidence of this baptism can be obtained by recourse to the baptismal Registers of the church in which the baptism took place.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal registers of the church in which the Rite of Reception took place.

The Governing Body will require written evidence in the form of a Certificate of Baptism or Certificate of Reception before applications for school places can be considered for categories of "Baptised Catholics". A Certificate of Baptism or Reception is to include: full name, date of birth, date of baptism or reception and parent(s) name(s). The certificate must also show that it is copied from the records kept by the place of baptism or reception.

Those who would have difficulty obtaining written evidence of baptism for a good reason, may still be considered as baptised Catholics but only after they have been referred to their parish priest, who after consulting with the Vicar General, will decide how the question of baptism is to be resolved and how written evidence is to be produced in accordance with the law of the Church.

Those who would be considered to have good reason for not obtaining written evidence would include those who cannot contact the place of baptism due to persecution or fear, the destruction of the church and the original records, or where baptism was administered validly but not in the Parish church where records are kept.

Governors may request extra supporting evidence when the written documents that are produced do not clarify the fact that a person was baptised or received into the Catholic Church, (i.e. where the name and address of the Church is not on the certificate or where the name of the Church does not state whether it is a Catholic Church or not.)

Tie breaker

In the event of over-subscription in the number of applications made under any of the categories, the admissions committee will offer places first to children living nearest the school measured in a straight line from the child's home address to the front door of the school using the Local Authority measuring service based on Ordinance Survey.

In rare cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, random selection will be used to determine the allocation of places.

Child's home address

You must give the correct permanent home address. The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – eg. child benefit payment address.

Where care is split equally between mother and father, the address used for the allocation process will be the address of the parent who is in receipt of the Child benefit. Documentary evidence will be required.

Supplementary information forms

Parents must complete the Local Authority application form. Parents who wish their application to a Catholic school to be considered against the priority faith criteria should also complete the supplementary form. If the school is oversubscribed, failure to complete the supplementary form may result in your application for a place in this school being considered against lower priority criteria, as the Governing Body will have no information upon which to assess the application on the basis of the applicant's baptism and/or membership of a faith community. Both forms should be returned by the closing date of **15th January 2015** as explained in the LA Primary Admissions Booklet.

Nursery applications

If a child attends the Nursery attached to a Catholic primary school they **DO NOT** have automatic right of a place at that school. Parents **MUST** complete a Local Authority application and, if appropriate, the school supplementary form which should be returned by the closing date.

Late applications

Late applications (those received after the closing date) will only be considered after all the applications received on time have been dealt with.

Waiting list

A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria; parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the first term of Reception.

Deferred entry

Legally your child does not have to start school until the start of the term after their fifth birthday. If you apply for and are offered an earlier starting date which you wish to defer you should advise the School and the Local Authority by the start of the autumn term 2014. You cannot defer entry beyond the beginning of the term after your child's fifth birthday nor beyond the academic year for which the application was made (start of the summer term 2015). If you want your child to start at a later date beyond the academic year (2015/2016) you will have to make a fresh application and we cannot guarantee that a place will be available.

Part time attendance

Parents can request that their child attends part-time until the child reaches compulsory school age.

Definitions that differ from those above are included in the individual admission arrangements.

If you would like a copy of a school's full admission arrangements please contact the school or access their website.

- c) For a child to be considered as a Roman Catholic evidence of such Baptism will be required.
- d) It is the duty of governors to comply with regulations on class size limits at Key Stage One. The Governing Body may exceed the regulations for twins, siblings in the same year group and children from multiple births where one of the children is the 30th child admitted.
- e) If in any category there are more applications than places available, priority will be given on the basis of distance from home to school. Distance will be measured in a straight line from the front door of the child's home address (including the community entrance to flats) to the main entrance of the school using the Local Authority's computerised measuring system with those living nearer to the school having priority. If the distance is the same for two or more applicants where this would be last place/s to be allocated, a random lottery will be carried out in a public place.
- f) Where a child lives with parents with shared responsibility, each for part of a week, the child's "permanent place of residence" will be determined as the address of the parent who normally has responsibility for the majority of school days in a week.
- g) Sibling is defined as a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner where the child for whom the school place is sought is living in the same family unit at the same address as that sibling.
- h) A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria. Parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the Autumn Term.
- i) For 'In Year' applications received outside the normal admissions round and if places are available then children qualifying under the published criteria will be admitted. Direct application to the school can now be made under this heading. If there are places available but more applicants than places then the published oversubscription criteria will be applied.
- j) If an application for admission has been turned down by the Governing Body, parents can appeal to an Independent Appeals Panel. Parents must be allowed at least twenty school days from the date of notification that their application was unsuccessful to submit that appeal. Parents must give reasons for appealing in writing and the decision of the Appeals Panel is binding on all parties.
- k) Parents can request that the date their child, if below compulsory school age, is admitted to school is deferred to later in the school year or until the term when they reach compulsory school age.
- l) The Governing Body reserve the right to withdraw the offer of a school place where false evidence is received in relation to baptism, sibling connections or place of residence.

Oversubscription Criteria

Where the number of applications exceeds the number of places available the Governing Body will apply the following over-subscription criteria.

Children with a statement of special educational needs that names the school will be offered a place without reference to the admission criteria.

1. Baptised Catholic Looked After and previously Looked After Children.
2. Children with exceptional medical and/or social needs where these needs can only be met at this school. Professional supporting evidence, e.g. from a doctor, psychologist or social worker is essential if admission is to be made under this criterion and such evidence must set out the particular reasons why this school is the most suitable for those difficulties.
3. Baptised Catholic children resident in the parish of Our Lady Immaculate, Bryn.
4. Baptised Catholic children who have a sibling at the school at the time of admission.
5. Baptised Catholic children from other parishes.
6. Looked After Children and previously Looked After Children who are other than Catholic.
7. Children who are other than Catholic who have a sibling at the school at the time of admission.
8. Children from other Christian denominations. Proof of baptism in the form of a baptismal certificate or confirmation in writing that the applicant is a member of their faith community is required from an appropriate Minister of Religion.
9. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.
10. Children whose parents express a preference for a place at the school.

Tie breaker

If in any category there are more applications than places available, priority will be given based on distance from home to school. Distance will be measured in a straight line from the front door of the child's home address

(including the community entrance to flats) to the main entrance of the school using the Local Authority's computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be the last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

Where a child lives with parents with shared responsibility, each for part of a week, the child's "permanent place of residence" will be determined as the address of the parent who ordinarily has responsibility for the child. Evidence will be required, for example in the form of a copy of a tax credit award notice or a recent bank/building society statement, showing Child Benefit being paid in their account.

Oversubscription Criteria

Admissions to the school will be made in accordance with parental preference. However, if the school receives more applications than places available, the following admissions criteria will be applied once places have first been allocated to pupils who have a Statement of Special Educational Needs which names the school;

Admissions Criteria

1. Children who are in public care or have been in public care**.
2. Baptised Roman Catholic children who will have a *brother or *sister attending the school, at the time of admission, and are resident in the parish of Our Lady's, Haigh.
3. Other baptised Roman Catholic children who are resident in the parish of Our Lady's, Haigh.
4. Baptised Roman Catholic children who are resident in another parish who will have a *brother or *sister attending the school at the time of admission.
5. Other baptised Roman Catholic children resident in another parish.
6. Other children who will have a brother or sister attending the school at the time of admission.
7. Other children.

We regard someone as 'Roman Catholic' if they have been baptised in a Roman Catholic Church. A Certificate of Baptism is required if the child was not baptised in the Roman Catholic Parish of Our Lady's, Haigh, Aspull and Blackrod.

Tie breaker

In the event of over-subscription, in any one of the above criteria, priority will be given to those living nearest to the school. This would be the straight-line distance between the home address and the pedestrian entrance gate to the school grounds measured by the Local Authority using the Geographical Computer System (G.I.S.) which is based on the Ordnance Survey Map.

Where a child lives with parents with shared responsibility, each for part of the week, the address used for considering an application for a place at our

school will be that of the main carer, classed as the person who is eligible to receive the Child Benefit for the child under consideration.

Notes

** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.'

In Criterion 2 & 4, above, the Governors define *brother or *sister in the same way as the Local Authority, as follows;

- half-brothers and half-sisters;
- step brothers and step sisters; and
- foster brothers and foster sisters

who live at the same address as part of the same family unit.

Waiting list

A waiting list for children who have not been offered a place will be kept and will be ranked according to the Admission Criteria; parents will be informed of their child's position on the waiting list which will not be operated for longer than the end of the first term of Reception.

Parents who wish their application to this Roman Catholic school to be considered against the priority faith criteria should also complete the school's Supplementary Information Form (see part 1 for further information).

Parents must complete the Local Authority Application.

Children with a statement of special educational needs that names the school will be offered a place without reference to the admission criteria.

1. *Baptised Catholic Looked After children and previously Looked After** children.
2. *Baptised Catholic children living in the designated Parish of Sacred Heart, Hindsford.
3. *Baptised Catholic children who have a brother or a sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters or children of the parent/carer's partner, and in every case who are living at the same address and are part of the same family unit.
4. *Baptised Catholic children living in other Catholic parishes.
5. Looked After children and previously Looked After Children other than Catholic.
6. Children who are other than Catholic who have a brother or a sister at the school at the time of likely admission. This includes full, half or stepbrothers and sisters, adopted and foster brothers and sisters or children of the parent/carer's partner, and in every case who are living at the same address and are part of the same family unit.

8. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.
9. Children whose parents express a preference for a place at the school.

*'Baptised Catholic' means, within the policies and practices relating to school admissions, any child who, before the due date of application, is a baptised Catholic or who, having been baptised into another Christian denomination whose baptisms are recognised by the Catholic Church, has subsequently been formally received into the Catholic Church.

** Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Tie breaker

In the event of any over-subscription in the number of applications made under any of the categories above then the admissions committee will offer places first to children living nearest to the school measured in a straight line from the child's home address to the front door of the school using the Local Authority GIS computer system based on ordnance survey.

In rare cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, where to admit another pupil would have class size implications, random selection will be used to determine the allocation of places.

If we offer the last available place to one of twins, triplets and so on, our policy is to admit the other twin or triplets too.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). 4. Baptised Catholic children living in other Catholic Parishes.

6. Children whose parents express a preference for a place at the school.

Tie breaker

In the event of over subscription in the number of applications made under any of the categories above, then the admissions committee will offer places first to children living nearest to the school measured in a straight line distance from the address of the house/flat to the main front door of the school as measured by the local authority.

While the school is based on two sites, the point of reference for the distance from the address of the house/flat to the main front door of the school will be a point midway between the two sites.

If we offer the last place available at a school to one of twins (or triplets, or so on), our policy is to admit the other twin or triplets too.

Occasionally, the distance from home to school is the same for more than one child (for example, if more than one child lives in the same block of flats). In these cases we will use a system to randomly pick who will be offered a place.

Oversubscription Criteria

All preferences listed on the Local Authority Preference Form will be considered on an equal basis with the following set of ADMISSIONS CRITERIA forming a priority order where there are more applications for admissions than the school has places available.

Children with a statement of special educational needs that names the school will be offered a place without reference to the admission criteria.

1. Baptised Catholic Looked After Children and previously Looked After Children *
2. Baptised Catholic children living in the designated Parish of St James, Orrell.
3. Baptised Catholic children who have a sibling at the school at the time of admission.
4. Baptised Catholic children living in other Catholic parishes.
5. Looked After Children and previously Looked After Children other than Catholic *

8. Children of other faiths. An appropriate Faith Leader would need to confirm in writing that the applicant is a member of their faith group.
9. Children whose parents express a preference for a place at the school.

* Previously looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Applications for previously looked after children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

Tie breaker

In the event of over-subscription in the number of applications made under any of the categories above, then in each of the categories the Admissions Committee will offer places first to children with siblings attending the school at the time of admission.

If numbers of applications with siblings exceed places available and/or for any remaining places within a category, the committee will apply the distance tiebreak – i.e. children living nearest the school measured in a straight line distance from the home address to the Front Door (main entrance) of the School as measured by the Local Authority.

In cases where the distance tie-break does not assist, for example where there are two or more children with an exact distance measurement, where to admit another pupil would have class size implications or where this distance would be last place/s to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

Governing Bodies in Primary/Infant Schools may exceed KS1 Class Size Regulations for twins and children from multiple births where one of the children is the 30th child admitted.

*A Looked After child is a child who is (a) in the care of the Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions (under section 22(1) of the Children Act 1989). A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order. Applications for previously looked children must be supported with appropriate evidence i.e. a copy of the adoption order, residence order or special guardianship order.

In the event of any over-subscription in the number of applications made under any of the categories above then the admissions committee will offer places first to children living nearest to the school measured in a straight line distance from the address of the house/flat to the main front door of the school as measured by the Local Authority using a Geographical Information System (GIS) which is based on Ordnance Survey Maps.

In the event of distances being the same for two or more applicants where this distance would be last place/s to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

It is the duty of governors to comply with regulations on class size limits at Key Stage One. The Governing Body may exceed the regulations on class size at Key Stage One for twins, siblings in the same year group and children from multiple births where one is the 30th child admitted.

The Governing Body may exceed the regulations on class size at Key Stage One for twins, siblings in the same year group and children from multiple births where one is the 30th child admitted.

If we offer the last place available at school to one of twins (triplets or so on) and to offer all children a place would mean the infant class size regulations would be breached, the Governing Body will offer the available place and parents can decide which child will take up the place. At the same time the home local authority will advise parents which school can take all the children.

The home address of a pupil is considered to be the permanent residence of a child. The address must be the child's only or main residence. Documentary evidence may be required – eg. child benefit payment address. Where care is split equally between mother and father, parents must name which address is to be used for the purpose of allocating a school place.

Notes

A Looked After Child is a child who is (a) in the care of a Local Authority, or (b) being provided with accommodation by a Local Authority in the exercise of their Social Services functions under section 22(1) of the Children Act 1989. A previously Looked After Child is one who immediately moved on from that status after becoming subject to an adoption, residence or special guardianship order. Documentary evidence of being 'previously looked after' such as a copy of the adoption or special guardianship order must be submitted.

A Baptised Catholic is one who has been baptised into full communion with the Catholic Church by the Rites of baptism of one of the various Churches in communion with the See of Rome (Cf. Catechism of the Catholic Church 1203). Written evidence of this baptism can be obtained by recourse to the baptismal Registers of the church in which the baptism took place.

Or

A person who has been baptised in a separate ecclesial community and subsequently received into full communion with the Catholic Church by the Rite of Reception of Baptised Christians into the Full Communion of the Catholic Church. Written evidence of their baptism and reception into full communion with the Catholic Church can be obtained by recourse to the Register of Receptions, or in some cases a sub-section of the Baptismal registers of the church in which the Rite of Reception took place.

Tie breaker

If in any category there are more applications than places available, priority will be given based on distance from home to school. Distance will be measured in a straight line from the front door of the child's home address (including the community entrance to flats) to the main entrance of the school using the Local Authority's computerised measuring system with those living nearer to the school having priority. In the event of distances being the same for two or more applicants where this distance would be the last place(s) to be allocated, a random lottery will be carried out in a public place. All the names will be entered into a hat and the required number of names will be drawn out.

It is the duty of governors to comply with regulations on class size limits at Key Stage One. However, where there are twins, etc wanting admission and there is only a single place left within the admission number, then the governing body may exercise as much flexibility as possible within the requirements of infant class sizes. In exceptional circumstances cases we are now able to offer places for both twins and all triplets, even when this means breaching infant class size limits. This may also apply to siblings who are in the same year group.
