This parent has given your name as a reference for his/her commitment to the church/place of worship. Our criteria require the parent to have attended their place of worship once a month for twelve months prior to the closing date of this application. In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.

Has this been the pattern for this parent? **YES/NO**
