

# Let's Play and Learn Together

Welcome to the Play and Learn Course.

Over the next few weeks we will be finding out about each 'Area of Learning'. We will be looking at how you can help your child to learn and develop through play.

Toys and books to go with each area of learning will be available during the session.

We hope to have fun, share ideas and experiences in the group and give you a handout and some ideas to take home.

1. Introduction
2. Personal, Social and Emotional Development
3. Communication and Language and Literacy
4. Mathematics
5. Understanding the World and Expressive Arts and Design
6. Physical Development and Reflection
