

# Let's Play and Learn

## Some More

Welcome to the Play and Learn Some More Course.

Over the next few weeks we will be looking at how you can help your child to learn and develop literacy and numeracy skills through play.

There will be toys and books to use together in each session.

We hope to have fun, share ideas and experiences in the group and give you a handout and some ideas to take home.

1. Introduction. Number, Counting, Sorting and Matching
2. Shape and Pattern
3. Measures
4. Speaking and Listening
5. Early Reading
6. Early Writing
