

D/D St./BundleC2/2 Notebook of Lady Bindlosse 1642-1675 (Part I)

The following images were made from the Notebook of Lady Bindlosse, from the Standish Family collection held by Wigan Archives & Local Studies.

The document contains zodiacs and planetary astrological tables, words of songs, recipes, list of books and lists of flowers, fruit and trees planted in the gardens and orchards, with some creative writing.

A full catalogue of the Standish Papers can be found at:

<http://www.nationalarchives.gov.uk/a2a/records.aspx?cat=132-ddst&cid=0#0>

The images from the document should not be reproduced in any format, digital or print, without the prior permission of Wigan Archives & Local Studies. Reproduction charges may be applicable depending on the intended usage of images from the document. For more information please contact us on 01942 404 430 or at archives@wigan.gov.uk

Beere
 Beere Ceres — 120: whereof 40 Lager
 colours: 30 cream — & 1/2 bush 2 c
 gearless, & other varieties

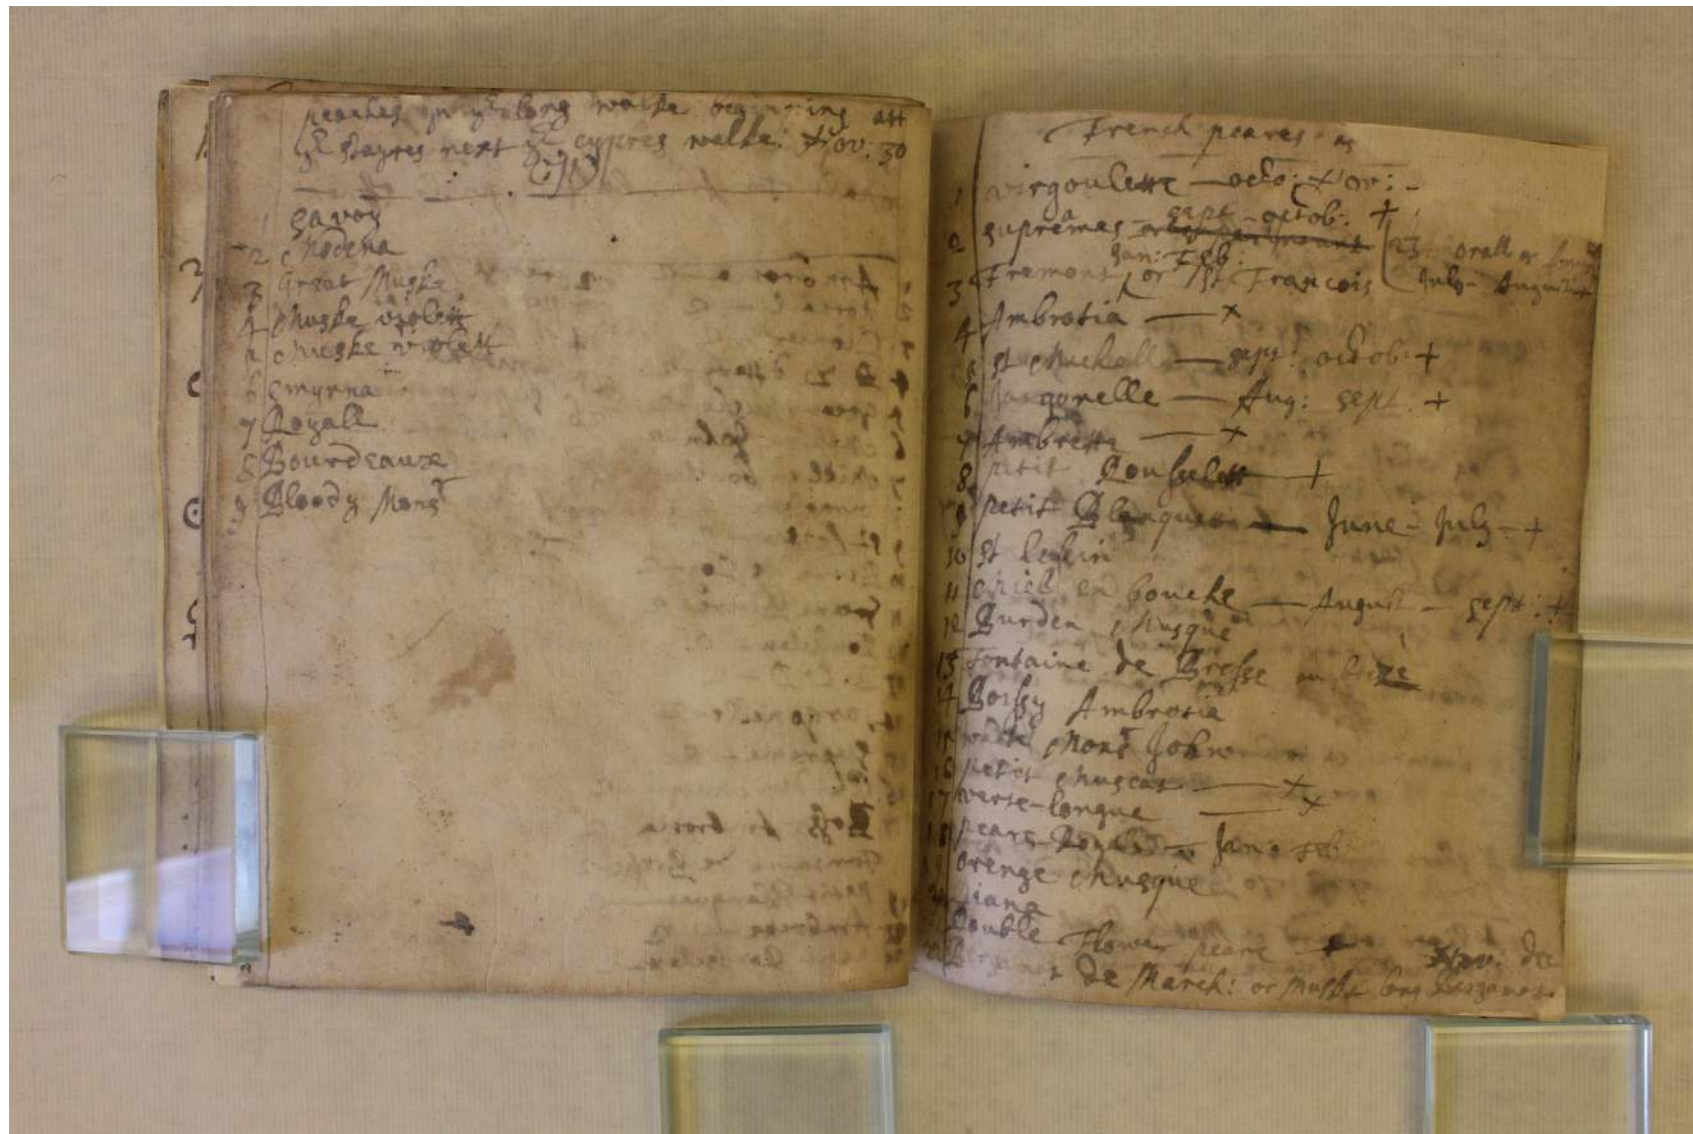

Common Double garden primrose — 20
 Double green Cowslip — — — 12
 Double red primrose — — — 12
 the variable seeds & orange
 cloud cowslip — — — 3 — 12

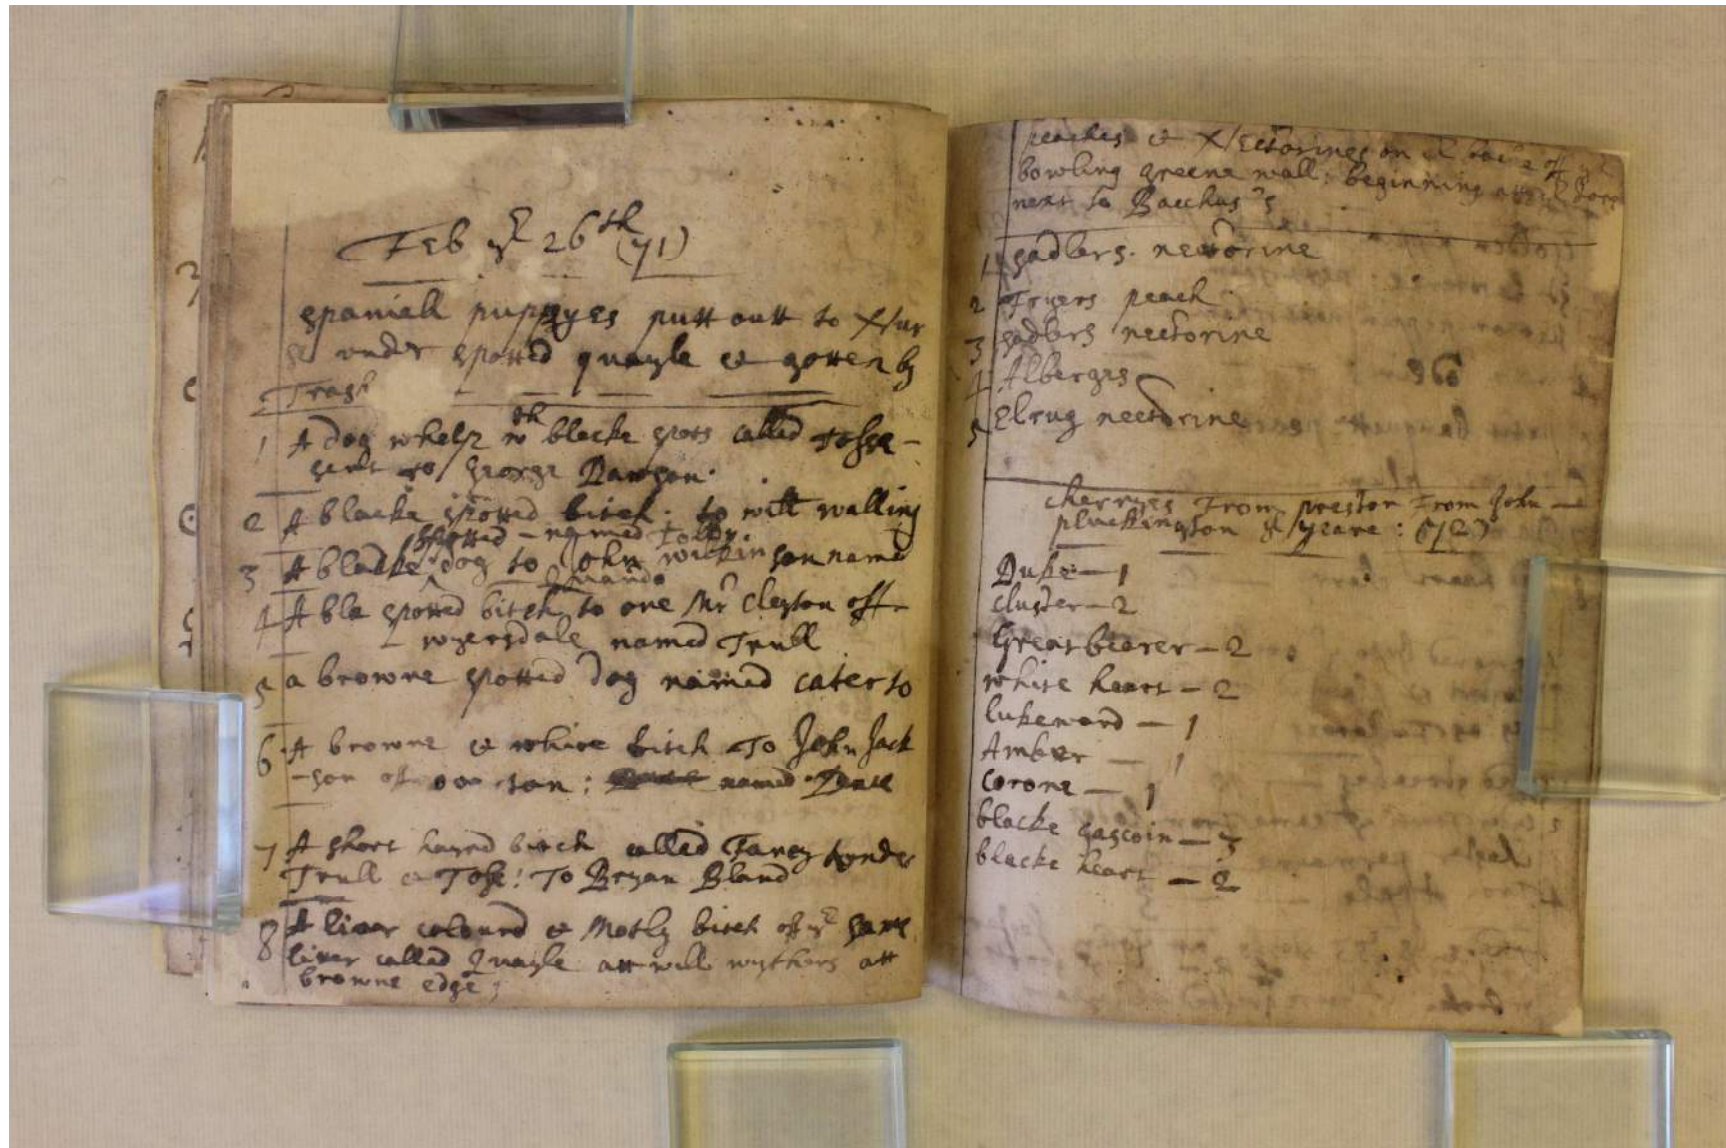

4 bushells of Malt: makes 2 hogheads
 of small beere

4 bushells of Malt makes 2 hogheads of
 strong beere: & so every bushell of malt
 3 quarters of a pound of hops: & 1/2
 3 pound of hops serves for 2 hogheads of
 strong beere: as Mr. some standish says
 Burgholme says of 10 every bushell of

Malt there must be a pound of hops; for
 strong beere; & to every bushell of malt
 malt for Ale: halfe a pound of hops;
