

## Have your say on the Worsley Mesnes Active Neighbourhood

Wigan Council are proposing to introduce an Active Neighbourhood in your area, with the aim of creating a safe and attractive place for people to walk, cycle and socialise.

Thanks to your helpful comments and feedback, in June/July 2021, we have been able to develop a number of proposals that aim to reduce the speed of traffic or prevent vehicles 'rat running' through the area. As a result, this should help make walking and cycling within the area safer and easier.

We are now able to share these ideas with you and all comments will be gratefully received. For more information and to view the plans visit:

<https://worsleymesnesphase2.commonplace.is/>

Consultation will run from Monday 18th October 2021 to Sunday 31st October 2021.

Active Neighbourhoods are about creating safe and attractive spaces for people to move around their community. By slowing and/or stopping traffic movements the idea is that only local people are left using the streets, improving the ability for children to play without the worry of busy car dominated roads as well as allowing residents, of all abilities, to get around, for example on foot, by wheelchair, with a buggy or by bike.

### **Key benefits include:**

- Encouraging a more active way of living.
- Improving air quality.
- Reducing congestion/rat-running and increasing safety for all.

### **Have your say:**

We would now like your feedback on the plans. For more details about what the ideas look like and what it means for you and your community go to:

**<https://worsleymesnesphase2.commonplace.is/>**

Or alternatively you can email your comments to:

**[majorprojects@wigan.gov.uk](mailto:majorprojects@wigan.gov.uk)**

All details can also be found on the council's website:

**[www.wigan.gov.uk/MajorProjects](http://www.wigan.gov.uk/MajorProjects)**

### **Don't have online access?**

Don't worry, you can come along to the below venue to view a printed copy of the plans, where you can also leave your comments on a paper questionnaire:
