

# Public Rights of Way

To locate a specific address within the borough:

Step 1: Click on the **Find Address** button

Step 2: Type the name of a street, a full address or its full postcode

### Wigan Council Address Gazetteer

Search for an address by entering the name of the street, building name, organisation name or the postcode in the box below and click 'Search'.

Search for

Use an asterisk (\*) as a wildcard to extend the search (eg Market\*)

Postal addresses  Check this box to return postal addresses only

If you cannot find the address you are looking for please contact the Address management Team. Ext. 4207

[Help](#) [Search](#)

Step 3: Click the **Search** button

Step 4: Choose the relevant address from the results

This should have the effect of producing a map on the screen with a red star in the centre pinpointing the requested address.

## Moving around the map

To move around the map, a number of navigation buttons are available:

Pan/Move – click and drag the map to the required location

Zoom in – click and drag an area to zoom into

Zoom out – click and drag an area to zoom out of

Show legend - Displays a list of all the symbols used in the map window

Restart map

Previous view – goes back to the last location/zoom

Identify all layers: Click this button, then click on a footpath. A new window will appear with the appropriate information
